ROOSEVELT REGISTERS GAINS BUT LANDON HOLDS STRAW VOTE LEAD

Returns From 39 States Show Republicans Leading In 28 States To 11 For Democrats, Who Gain 3

NATION-WIDE POLL CLOSES OCTOBER 10TH

The TIMES received and has forwarded this week the following votes for President:

ROOSEVELT—4.
 LANDON—5.
 This makes a total from Franklin County as follows:
 ROOSEVELT—13.
 LANDON—6.

(By John Thomas Wilson)

New York, Oct. 1.—A faster and faster political tempo is being attained as the 1936 presidential campaign swings into the final month. This drive by major parties for their respective candidates is manifested far and wide and is being reflected in the grass roots presidential straw-vote being conducted by some 3,000 newspapers throughout the country.

At the close of the sixth week of balloting in this country America had been tabulated. Governor Alf Landon, Republican, continues to lead; President Roosevelt, Democratic, is second; and Congressman William Lemke, Union Party, is a distant third. The other candidates, Thomas, Socialist; Colvin, Prohibitionist; and Browder, Communist, trail far in the rear in the regards of the grass roots voters.

Returns from 39 states have now been tabulated at national straw-vote headquarters here, an increase of three states over last week's tabulation. The new states are Arkansas, Georgia and Vermont.

Of the 39 states, Governor Landon has a popular vote lead in 28 states to 11 states for President Roosevelt.

Roosevelt Registers Gains

Material gains were recorded for Roosevelt during the sixth week, both in number of states and in percentage points. His increase in states came through gaining majorities over Landon in Montana and in annexing two "naturals," Georgia and Arkansas from the solid South. While the vote in these two latter states is still light, likewise is the vote in Vermont light, which state goes into the Landon column.

As between Landon and Roosevelt only, the standing at the close of the sixth week of national tabulations was as follows:

Landon	447,973	60.2%
Roosevelt	295,382	39.8%
743,355 100%		

Of the 743,355 ballots tabulated for all candidates they are distributed as follows:

Landon	447,973	56.5%
Roosevelt	295,382	37.3%
Lemke	36,605	4.6%
Thomas	5,995	0.8%
Colvin	2,376	0.3%
Browder	3,693	0.5%
792,524 100%		

Even though the Union Party candidate, William Lemke, has failed to make any sizeable gains in standing since the start of the poll, votes for him during the sixth week maintained his percentage standing of 4.7% with Roosevelt and Landon, as follows:

Landon	447,973	57.4%
Roosevelt	295,382	37.9%
Lemke	36,605	4.7%
780,460 100%		

The Roosevelt percentage gain during the week, as between he and Landon only, stands:

Last Week	This Week
Landon 59.2%	57.4%
Roosevelt 36.1%	37.9%

Among the eleven states in which Roosevelt leads, Alabama, Arkansas, Florida, Georgia, Idaho, Montana, North Carolina, North Dakota, Oklahoma, Texas and Utah, Landon continues to show surprising strength in Alabama, Florida and North Carolina. Also, at this stage of the poll, Landon leads in the southern states of Tennessee, Virginia and West Virginia.

The twenty-eight states in which Landon leads are California, Colorado, Connecticut, Illinois, Indiana, Iowa, Kansas, Kentucky, Maine, Maryland, Massachusetts, Michigan, Minnesota, Missouri, Nebraska, New Hampshire, New Jersey, New York, Ohio, Oregon, Pennsylvania, Tennessee, Virginia, Vermont, Washington, West Virginia, Wisconsin and South Dakota.

Several Close States
 Voting has been closest between Roosevelt and Landon in Connecticut, Idaho, Kentucky, Minnesota, North Dakota, Oklahoma and Washington. Final voting in the closing days of the poll, which is officially set for October 10th might easily swing any of these

DEMOCRATIC RALLY

The Woman's Division of the Democratic Party and the Young People's Democratic Clubs of Franklin County will sponsor a Democratic Rally and Donkey Bank Round-up on Friday, October 10th, at 3:30. This will be an interesting meeting and all Democrats in the County are expected to take part.

states to one or the other candidate.

The Publishers Autocaster Service of New York, producers of a newspaper service for weekly newspapers, is officiating in the capacity of "national straw-vote headquarters" for the 3,000 newspapers which are cooperating in conducting the poll.

Those in-charge of the tabulations at headquarters here, report that the greatest number of ballots have been cast and the interest of the voters has been keener than in any of the former polls conducted by cooperating weekly newspapers. This is the fourth nation-wide small town and rural America poll, the first having been conducted during the 1934 campaign.

EDITOR'S NOTE: There is still time to cast a straw ballot for your favorite Presidential candidate in this poll, but you will have to hustle. The poll closes officially October 10th, when all ballots must be in the national straw-vote headquarters in New York.

This newspaper is cooperating in the poll. You will find a straw-vote ballot elsewhere in this issue of THE FRANKLIN TIMES. Clip out the ballot now. Vote it. Then mail or bring your ballot to our office. We will do the rest.

Rev. F. E. Pulley To Leave

Goes To Wadesboro To Take Up Pastorate There.

To his many friends in Louisburg and surrounding community the information that Rev. Frank E. Pulley, rector at St. Paul's Episcopal Church, has resigned this charge and accepted a call to the Calvary Episcopal Church at Wadesboro, will be received with much regret. It will also be unpleasant to the entire public who join with his parishioners in recognizing his splendid ability, attractive personality, his devotion to his work and his broad interest in all civic and religious movements. Since his coming to Louisburg about three years ago he has made many friends and built a confidence that caused his influence to be wide and strong among his associates, and especially the younger people. He is a consecrated minister. Wadesboro should be congratulated upon securing him, even though, it is safe to say, he may carry there only shortly in his progress.

Louisburg regrets to lose him, but wishes him well in his new work.

Registration Books To Open

The registration books will open Saturday, October 10th, 1936 for the purpose of registering all those who become entitled to vote since the primary, and wish to vote in the November election. All registrars will get their registration books and attend their polling places for three consecutive Saturdays, beginning Saturday, October 10th, for the purpose of registration. This is no new registration, only those not properly registered need to register. On Saturday, October 31st, the books will be held open at the polling places for the purpose of challenge. Election day this year comes on Tuesday, November 3rd. Be sure you are properly registered so you can take part in the coming election—the most important in many years.

PARKS ALEXANDER

Transferred To Warrenton

Highway Patrolman Parks Alexander has received instructions to report to Warrenton Monday, October 5th, for highway patrol duty, in that section. His successor for this section has not been announced here yet.

Patrolman Alexander came to Franklin County a little more than a year ago and has proven himself a diligent, painstaking and efficient officer. Their many friends in Louisburg and Franklin County will regret to see Patrolman and Mrs. Alexander leave and commend them to the good people of Warrenton and Warren County, who are fortunate in having him assigned to their section.

County Teacher's Meeting

The first County-wide Teacher's meeting of the current school year was held Saturday morning in Mills auditorium with a full representation of teachers from each school unit.

The meeting was called to order by the President, Mr. W. O. Reed, Principal of Gold Sand School. Rev. O. P. Fitzgerald conducted the devotional.

The election of officers for the year was held and the following were elected: President, Prof. W. C. Stroud, and Secretary-Treasurer, Mrs. R. G. Bailey, both of Mills High School.

Supt. W. R. Mills took charge of the program and gave the new and old teachers a hearty welcome into Franklin County and its school system. Every principal introduced his teachers that they might become better acquainted.

Mrs. J. F. Mitchner, County Welfare Officer, pledged to the teachers the support and cooperation of herself and her office in any matter that she might be able to assist. She also explained her position in school attendance and asked for the full assistance of the teachers in this work.

Dr. E. F. Yarborough, County Health Officer, placed his services in the hands of the schools and asked that he be called upon at any time and urged the cooperation of the teachers as of former years.

Supt. Mills disposed of other important business matters at this time.

Dean D. B. Bryan, of Wake Forest College, brought a very interesting and instructional message to the audience. "If I were teaching in our County schools, I think I would teach government, a modified form of discipline, first of all and when I had this thoroughly under way I would then teach the subject matter. By government, I mean not only the disciplinary feature of conduct, but the respect for management, the curving of thought—Our system of taxation should be studied and after seeing what institutions of benefit to mankind are being supported with them, the taxpayer, if he is human, will not begrudge the taxes he pays any more than he does the funds he donates to the cause of his Church. Teachers, teach government in school in every phase of your work and you will mold more characters for the future than you may realize. You have the power, use it."

Following several announcements, the meeting was dismissed the time of the next meeting to be announced later.

LAW OFFICES CLOSED YEAR-ROUND ON SATURDAY AFTERNOONS

We have been requested to state that by unanimous agreement of local members of the Franklin County Bar Association, all law offices in Louisburg will be closed the year-round on Saturday afternoons, except such Saturday afternoons immediately preceding and during Franklin Superior Court.

AVERAGES RUN TO 60 CENTS

Louisburg Market Making Record In Prices

Much Tobacco Being Offered—Warehouse Averages Running High—Strong Demand For All Grades—Try The Home Market For Friendly Service And High Prices

Louisburg is enjoying the popularity in leading the State in average sales of tobacco and is continuing to sell the golden weed at high prices. During the past week several growers made sales averages in the 50's and at least one is reported to have made a sixty cent average. There seems to be no trouble to make individual averages of 35 to 45 cents. Its only the very common tobaccos that are not bringing high prices, and even these are selling higher than in many years and on many markets are not offered.

Quite a nice quantity of tobacco has been sold on the local

market the past week and warehouse sales have averaged up to around 27 to 30 cents, with the greatest of satisfaction shown by the growers selling here. Mr. S. M. Hayes sold 500 pounds for an average of above 35 cents, which he considered extra good for the quality offered.

The warehousemen report a strong demand for Franklin County tobacco at strong prices and are assuring the growers of top notch service.

Get your next lot ready and bring it on to LOUISBURG, the home market, where you will receive that friendly service.

MR. PULLEY RESIGNS PASTORATE

(Special to Times)

Louisburg, Sept. 28.—The Rev. Frank Easton Pulley, for the past three and one-half years rector of St. Paul's Episcopal Church, on Sunday asked the vestry to accept his resignation in order that he may accept a call to Calvary Episcopal Church, Wadesboro, effective October 10. The vestrymen, reluctant to let Mr. Pulley go, eulogized his fine traits and expressed their heartfelt appreciation of the untiring, devoted service he has rendered the parish and the people of the whole town. They said he had endeared himself to people generally, regardless of Church affiliation.

The young rector began his ministry in Louisburg in 1933, upon his graduation from Sewanee Theological Seminary where he was a member of Omicron Delta Kappa, National Leadership Fraternity, and editor of the college publication. He was ordained priest in 1934, and a year ago became editor of THE NORTH CAROLINA CHURCHMAN, official organ of the Diocese of North Carolina, and successor to THE CAROLINA CHURCHMAN. Laymen and clergymen alike have recognized and acknowledged his outstanding work on this semi-monthly publication.

The Louisburg church, during Mr. Pulley's rectorate, has enjoyed a fifty per cent increase in membership, and a similar increase in the Church School enrollment.

One of the most interesting phases of Mr. Pulley's services here, and one that is not generally known, is the Schloss Mission. He inaugurated this work himself then he observed that numbers of people in the Schloss section, ten miles from Louisburg, were too far from any Sunday School for the children to receive Biblical instruction. Since they could not go to Church, he felt the Church should go to them. Out of this great need has grown the Schloss Mission, a group of children and adults numbering eighty-five, a group of the most responsive, enthusiastic and loyal Church attendants. They come, whole families strong, on Sunday afternoons to a small frame chapel in the country and have their Sunday School lessons and hear Mr. Pulley preach. He had a portable altar made for the improvised "Church," and various other makeshifts lend to the churchly atmosphere.

Franklin County Schools

Supt. W. R. Mills in discussing the school situation in Franklin County the past week stated that the attendance was pretty good at all schools, especially at Bunn, and that the school work is getting off to a good start in all sections. He says we have 111 white teachers including three agricultural teachers, and 80 colored teachers, and are operating 61 buses. The State replaced five and the County purchased three new ones. The teachers this year receive an advance in salary of little more than 4 per cent, with a maximum salary of \$112.50 per month for eight months, making the maximum annual salary a teacher may receive \$900. It is the opinion of Supt. Mills that the salary limitations is causing the school system to lose a large number of its best instructors, who are leaving teaching for more lucrative vocations and larger opportunities.

Seventy-five percent of the farms in Martin County have been checked for compliance with the new farm program.

Franklin Moves To High Place

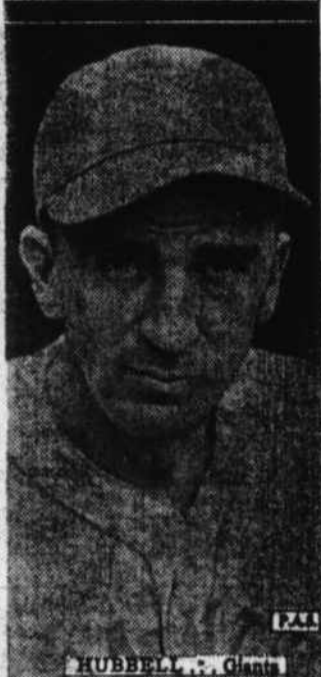

Franklin County now stands in second place in the State in total collections for the Democratic campaign war chest, it was reported here Wednesday at the office of A. D. Folger, party finance director for North Carolina.

Wake County remains in first place, and other high counties are Alamance, Haywood, Hoke and Stanly.

Herbert Gulley, former finance director, said there was a sum of about \$1,350 still to be turned over to Mr. Folger that was collected in a campaign of "Roosevelt Electors" during the primary races.—Raleigh Times.

"Stage Struck"

Newest Laugh Hit Coming To Louisburg Theatre, Thursday and Friday, October 8th-9th

"Stage Struck," heralded by First National as the gayest and snappiest of all its long list of musical comedy hits, comes to the Louisburg Theatre Thursday and Friday, Oct. 8th-9th.

There is an all star cast, which includes Dick Powell, Joan Blondell, Warren William, Frank McHugh, Jeanne Madden, and the four Yacht Club Boys besides a large number of supporting principals and hundreds of extras.

The picture is filmed on a lavish scale with spectacular numbers. Busby Berkeley directed the production.

In addition to three spectacular chorus numbers, there is still another in which Powell sings "Fancy Meeting You" to his lady love, Miss Madden, in the New York Aquarium with all the piscatorial aggregation as listeners. This catchy song as well as another, "In Your Own Quiet Way," sung by Powell and Miss Madden together, were written specially for the production by the famous tunesmiths, E. Y. Harburg and Harold Arlen.

The Yacht Club boys also put on two hilarious numbers in which they cut their mad antics, and sing songs written by themselves, entitled "The Body Beautiful" and "The Income Tax."

To Put On Exhibits At Fair

Mr. Grover B. Harris, Supt. of the Franklin County School, was in Louisburg Monday evening and advised the Secretary of the Fair that this school would put on exhibits at the Franklin County Fair, which will be held in Louisburg October 26th to the 31st.

Mr. Harris is one of the youngest and best superintendents in the State and has, by his progressive methods, made the Franklin County school one of the highest rated schools in the State and the envy of all the schools around it.

The Vocational Teachers will meet with the Secretary of the Fair Friday at three o'clock to arrange for a grand vocational exhibit. Franklin County, in past years, has had some of the best School Exhibits to be seen anywhere in the State and the agricultural and educational departments are very anxious that the work being done in the schools be brought to the tax-payers in this way.

Mr. P. H. Massey, of the Soil Conservation Service in this county, has also secured space for a Soil Conservation exhibit. This will be a very interesting exhibit, especially since so much work of this nature is being done in the County at present.

Each 4-H club in Haywood County will have a livestock judging team at the county fair. The high scoring individuals will compose the team to represent the county at the State Fair.

Bettors Give Nats More Chance After Easy Victory By Terrymen On Rain-Soaked Polo Grounds

HUBBELL WHIFFS EIGHT, YIELDS SEVEN SAFETIES; SELKIRK BLAST HOMER

Crowd of Nearly 40,000 in Wet Stands Sees Dick Bartell Homer in Fifth to Tie Score At 1-All; Burgess Whitehead, Tar Heel Boy, Makes Shoe-String Catch of DiMaggio's Drive To Start Double Play; Crossetti's And Dickey's Errors Give Giants Two Tallies

THE SECOND GAME TO BE PLAYED YESTERDAY WAS POSTPONED ON ACCOUNT OF RAIN AND WET GROUNDS.

New York, Sept. 30.—Under circumstances and playing conditions today that made their immediate prospects look as completely soggy as the rain-drenched diamond, the Yankees dropped the first decision to the mud-running Giants and their screwball ace, Carl Hubbell, in the opening game of New York's baseball civil war for the World championship.

The final score was 6 to 1 and the superiority of the National League champions so convincing, at the finish of a game that was accompanied by steady rain through the last seven innings, that a strong swing to Bill Terry's club was under way tonight. After seven hard-fought innings in the rain and mud, with Hubbell shading big Charley (Red) Ruffing only by a 2-to-1 margin in a brilliant pitching duel, the Yankee infield went to pieces.

The combination of some wild and woolly tossing of the slippery ball, Ruffing's own lack of control, and three base hits, produced four runs for the National League champions in the eighth inning.

Dismal Yankee Climax
 From the Yankee standpoint it was a dismal climax to an otherwise well-played game, despite the worst conditions marking any World Series match since the Pittsburgh Pirates beat the Washington Senators in the mud in the final game of the 1925 championship battle.

W. F. GATTIS SUCCEEDS SPAIN IN REVENUE JOB

Income Tax Accountant Is Named Acting Chief of Auditing Unit

W. F. Gattis, an employe of the State Revenue Department during the past three State Administrations, has been appointed acting chief of the auditing unit of the department, succeeding W. J. Spain, who has assumed the duties of acting assistant-commissioner of revenue.

The appointment of Gattis, who was an accountant in the income tax division, was announced yesterday by Commissioner of Revenue A. J. Maxwell. As in the case of Spain, who succeeded Dr. M. C. S. Noble, Jr., last week, the appointment of Gattis was made "acting" in view of the fact that a new State administration will be inaugurated in January.

Shifts in department personnel were made necessary by the resignation of Dr. Noble, who returned to his original field of education, as director of a General Education Board project at Greenville, S. C., after three years in the Department of Revenue.—News-Observer.

Program At The Louisburg Theatre

The following is the program at the Louisburg Theatre beginning Sunday, Oct. 4th:

Sunday—Hugh Herbert and Patricia Ellis in "Love Begins At 20."

Monday—Patricia Ellis and Mickey Rooney in "Down The Stretch."

Tuesday—Chester Morris and Fay Wray in "They Met In A Taxi."

Wednesday—Richard Arlen in Harold Bell Wright's "The Mine With The Iron Door."

Thursday-Friday—Dick Powell, Joan Blondell, Warren William and Frank McHugh in "Stage Struck."
