LARGE CROWDS ATTEND FAIR

SUPT. IRWIN SPEAKS TO THE MANY VISITORS

Floral Hall Filled With Exhibits of High Character—Live Stock Exhibit Excellent—Midway One Of Best in Years—Dr. Fleming Putting Over Fair in Big Way

Visitors to Franklin County Fair the past week were greeted with one of the largest and best midways that has been on exhibition here in many years and a large, varied and especially creditably display of farm, home and Art exhibits. The floral hall was practically filled with many of Franklin County's farm products and all of a high and noteworthy quality.

The fair opened Monday evening but exhibits were brought in including Tuesday.

The big feature of the fair this year was the address of Supt. Irwin on Wednesday afternoon, when he was greeted with a large number of people from this and adjoining counties.

The address of State Superintendent Clyde A. Erwin at the Franklin County Fair on Wednesday was very fitting for such an occasion. Mr. Erwin discussed the agricultural situation in North Carolina and stressed the need for an agricultural program that will render our rural people economically independent and a program that will promote a satisfying sort of life on the farm. He called attention to the necessity for greater conservation of our natural resources and commended our people in this county for the efforts they are making along this line. He stressed the fact that, in his opinion, this better type of farming and more satisfactory rural life must come through education, and he called for a type of education that will tend to fit boys and girls to lead happy, wholesome and worthy lives on our farm rather than to induce them to leave the farms and go to our town and cities. Superintendent Erwin is always an attractive speaker, but Wednesday in speaking to a large representation of Franklin County citizens he made, what many of his friends believe, his best speech. He was very happily introduced by Supt. G. B. Harris, of Franklin.

The judging was made on Wednesday and Thursday and we hope to get a complete list of the winners for publication.

The live stock exhibit and the farm machinery was especially creditable.

Today will be one of the big days and tomorrow will be set apart for colored people, which will also be a big day.

The free acts are receiving much favorable comment and are especially fine.

The many attending the fair at night report a high order of entertainment and splendid order.

Dr. A. H. Fleming, the efficient Secretary, who is putting Franklin County Fair over in a big way, entertained quite a number of invited guests at a luncheon at Franklin Hotel Wednesday in honor of Supt. Clyde A. Erwin, which was greatly enjoyed.

If you haven't already attended the fair do so, and if you have go again. You will enjoy it.

AN APPEAL TO THE CITIZENS OF FRANKLIN COUNTY

We are on the eve of the most vital election, affecting the people of Franklin County, which has been held within the past thirty years. I need not remind you of the Hoover cart days, when farm products had no value, when every bank in our County was closed, when men and their families were walking the highways hungry, cold, and in destitute circumstances, and some of the very best citizens of our County were losing their homes on account of their inability to pay taxes, for these things, I am sure, will long be remembered by our citizens.

Franklin D. Roosevelt was chosen as the Leader of our country, and he took office in 1933, since which time you have gotten a fair price for your farm products, you have been able to pay your taxes, you have discarded the Hoover cart and are now riding in a good automobile, the banks in our County and in the Nation are in excellent condition, and your deposits are safe, and a great number of you have bought homes under this Roosevelt prosperity.

Your State Democratic Administration has likewise made great strides within the past four years, giving your child an eight month's school without any tax on your property, giving you excellent roads to ride upon without any tax on your property, and retiring a goodly amount of our State debt by a conscientious business-like Administration.

At the beginning of 1933, more than half of the counties of our State were in default and unable to meet their current running expenses, but I am happy to relate that Franklin County was never in default, and is today in the best financial condition that it has been in within the past thirty years, and the democratic office-holders of Franklin County are to be commended and congratulated for this fine record.

I appeal to every man and woman of our County to go to the polls early on next Tuesday, November 3rd, and cast a straight Democratic ticket in appreciation of the fine record made by the Democratic party in the administration of our affairs in the Nation, State, and County.

The Democratic primary is long past and over. A majority of our party have spoken, and have selected men and women of high character and unblemished record as their nominees, they deserve your every support at the polls. Keep your record in such shape that you can have it handed down to your children, as it was handed down to you by your forefathers, "I HAVE ALWAYS VOTED A STRAIGHT DEMOCRATIC TICKET FROM TOP TO BOTTOM, AND HAVE NEVER SCRATCHED THE NAME OF A NOMINEE OF MY PARTY."

If you are any better off now than you were under the dark days of Hoover, show your gratitude and appreciation on next Tuesday, by going to the polls and taking your neighbor with you, and voting a straight Democratic ticket.

EDWARD F. GRIFFIN,
 Chairman Democratic Executive Committee.
A. F. JOHNSON, Secretary.

Gaston County is harvesting one of its largest hay crops although recent rain has damaged the quality somewhat.

H. C. Miller of Macon County has applied 12 tons of lime to his crop land this fall and says one ton is needed an acre to get a good stand of clover.

SALES GOOD AT LOUISBURG

Quite a Good Bit of The Golden Weed Has Been Offered The Past Week

Tobacco sales at the Louisburg Market the past week have been very satisfactory to both the growers and warehousemen. Good quantities of the weed has been offered each day with a corresponding good price and strong demand. Most all the better grades are holding their own or advancing, and we understand the cheaper grades have shown some improvement.

Louisburg Market is winning back a good deal of its former popularity and is pushing forward to one of its biggest seasons.

Get your tobacco ready and bring it on to Louisburg the friendly market, that has the time and the desire to give your tobacco the personal attention you wish it to have.

Shirley Temple In "Dimples"

At the Louisburg Theatre Friday and Saturday, October 30th and 31st

Singing, dancing and dimpling her way once more into millions of hearts, Shirley Temple's new Twentieth Century-Fox triumph, "Dimples," will be shown at the Louisburg Theatre, Friday and Saturday, Oct. 30-31.

Hailed as Shirley's wonder show and featuring swiny new song hits and brand new dance steps, "Dimples" is heralded as the outstanding hit in the little star's parade of brilliant triumphs.

An exceptional cast, headed by the irrepressible and imitable Frank Morgan, supports Shirley in the film, with Helen Westley, Robert Kent, Astrid Allwyn, Delma Byron, the Hall Johnson Choir and Stepin Fetchit prominently featured.

With Morgan and Stepin Fetchit contributing hilarious laughter, Robert Kent, Astrid Allwyn and Delma Byron youthful romance, Helen Westley and Bertone Churchill providing stirring drama, and Shirley better than ever her previous "bests," "Dimples" is the greatest in the succession of Shirley Temple pictures.

Darryl F. Zanuck selected William A. Selter director and Nunnally Johnson associate producer for the film.

Arthur Sheekman and Nat Perrin authored the screen play and Jimmy McHugh and Ted Koehler wrote the music and lyrics.

Fly In Giant Tri-Motored Ford

The Voe Mustangs Air Circus is bringing to the Harris flying field, one mile south of Louisburg, a tri-motored Ford plane which is all metal and has a capacity of 14 passengers. Its total weight is five tons. The plane is powered with three Wright V5's motors with a total horsepower rating of 660. It has a wing span of 75 ft. and a height overall of 12 ft. This ship has just been completely overhauled at the factory and is in perfect condition.

It will be piloted by Capt. Ed. Newkirk who has had 12 years experience at the controls. If the old saying is still true, "experience is the best teacher," Capt. Newkirk should be able to handle this ship most anyway.

There will also be a parachute jump which will be made by George Cowan. Mr. Cowan has made 302 jumps which is considered a very good record.

There will also be stunt flying of all kinds which will offer everyone who sees them an enjoyment. The Air Circus will be at the "Buck" Harris flying field from Wednesday, October 28 through Saturday, Oct. 31.
