Chapel News

The Gold Sand Chapter of the Beta Club held its installation service in Chapel on Monday morning. Randolph Denton read the Bible and gave the Ideals of the Beta Club. Immediately following this Doris Pearce gave the history of the Beta Club of North and South Carolina. Candles were presented to the new members who were then asked to come to the stage, where their candles were lighted by Randolph Denton as president symbolizing the knowledge to be passed on to new members. With lighted candles the pledges repeated the Beta Club after the President. Membership cards and certificate were presented to the new members. After this a song was sung, O Beta Club, by the new members.

This installed into the Beta Club over eleven new members.

Arts and Craft Course

Mrs. Clark, Instructor in Arts and Craft of the Art Center in Raleigh, is conducting a class that has appealed to many of our Franklin women. A delegation composed of Mesdames Phil Inscoc, Spencer Dean, Oliver Perry, C. E. Frazier, E. J. Morgan, W. S. Person and Misses Elizabeth Johnson, Bettie Cooper Davis, and Louise Weaver attended her class on Tuesday night and found it very instructional. Plans are being made that Mrs. Clark might come to Louisburg to give her classes, for more women are interested than are able to get to Raleigh.

Rid Yourself of Kidney Poisons

Do you suffer burning, scanty or too frequent urination, backache, headaches, dizziness, loss of energy, leg pains, swellings and puffiness under the eyes? Are you tired, nervous—feel all unstrung and don't know what is wrong?

Then give some thought to your kidneys. Be sure they function properly for functional kidney disorder permits excess waste to stay in the blood, and to poison and upset the whole system.

Use Doan's Pills. Doan's are for the kidneys only. They are recommended the world over. You can get the genuine, time-tested Doan's at any drug store.

The dear old soul watched the cowboy swinging his lasso on the grounds of the circus.

"What a long rope!" she said at last. "What do you use it for?"

"Waal, lady," he drawled, "when I'm out West on the ranch I use it to catch cows."

"Catch cows?" she echoed. "How very interesting. Tell me, what do you use for bait?"

Nervous, Weak Woman Soon All Right

"I had regular shaking spells from nervousness," writes Mrs. Cora Sanders of Paragould, Ark. "I was all run-down and cramped at my time until I would have to go to bed. After my first bottle of Cardui, I was better. I kept taking Cardui and soon I was all right. The shaking quit and I did not cramp. I felt wonderful. I gave Cardui to my daughter who was in about the same condition and she was soon all right." Thousands of women testify Cardui benefited them. If it does not benefit YOU consult a physician.

TIPS ON SHOE REPAIRING Where Your Work Is Always Done Better

Our policy is to do shoe repairing a little better than somebody else would do it. That is the reason the work done here is far better than the average cobbling. A trial will convince you.

A little money spent on old shoes is well invested because of the added wear. Bring in the children's shoes and have them mended.
