FRANKLIN COUNTY FARM ITEMS
By County Farm Agents

Franklin County Mutual Soil Conservation Association constructed 18 terraces 10,850 feet long, draining 26 Acres, for Mr. J. D. Kearney, Franklinton No. 2 and J. H. Fuller, Louisburg No. 1. The tractor also discing in 13 1/2 acres of Velvet Beans for J. H. Fuller. The tractor moved between jobs 13 miles.

4-H Club meetings will be held throughout the County starting November 2 at Gold Sand and Wood, November 3, Edward Best and Hickory Rock, November 4, Epsom and Louisburg, November 5, Justice, November 6, Bunn and Pilot, November 9, Harris and Pearce, November 10, Franklinton and Youngville. These meetings will be held at the same time that they were held during the Month of October. The program at these meetings will be Project planning for the year 1936-37.

Applications for Terracing were checked on last week. Each farmer was asked to put up a deposit of \$10.00 as proof of his desire to cooperate. A deposit was received from 25 farmers. Those farmers making deposit for work are as follows: M. T. Lamm, Mrs. S. R. Griffin, J. H. Fuller, T. S. Dean, P. P. Fennell, M. H. Hunt, Geo. A. Rose, R. P. Neal, J. T. Wilder, C. T. Dean, T. W. Boone, W. R. Dean, Miss Jessie Taylor Harris, J. W. Dean, Joe W. Hudson, Charlie Stallings, E. M. Mitchell, M. S. Clifton, W. G. Kearney, M. M. Person, Mrs. C. B. Kearney, F. E. Dean, E. V. Stone, S. R. May, and B. F. Wood. The terracing unit will be routed to these farms during the meeting of the Board of Directors Friday night, October 30, at 7:30 o'clock.

New Agricultural Building Nears Completion

Our new agricultural building is practically completed at this time. Committees from the Women's Federation in the County met with representatives from the Farmers Club, Saturday P. M., October 24, and inspected the building and requested that some plan be drawn up within the last few days whereby the building could be adequately furnished with chairs and other furniture necessary for the building. Painting and heat are the only two things lacking for the finishing of the interior of the building. The labor for these two things is to be furnished by the County. Mr. W. N. Fuller who has charge of the work for the County's part in the building, had two painters at work on Wednesday, October 28, and they should finish the painting job within the next few days. At the same time he is attempting to get a steam fitter to put in the heat. If this man could be found, it would take about five or ten days to put this in, and we should be able to move all the offices to the building in the near future.

Franklin County Farm Items

The majority of this week was spent in the office working on adjusting acreages on work sheets and compliances. After the supervisors checked the farms, we found a great many variations in the number of crop acres found by them as compared with the

original figures listed on the work sheets filled out in the spring and summer. Most of the farmers seem to appreciate our calling their attention to the matter and adjustments are being made favorable to all concerned.

Tuesday of this week was spent judging the Golden Belt Fair, at Henderson. The exhibits were very good. One exhibit put on by W. A. Connell of Warren County showed that a great deal of time and work had been taken in the preparation. He had 130 different articles from the farm in his display.

Friday afternoon was spent at Franklinton, working with the Franklin County Community Fair. The people in this community are taking a great interest in their fair, and the gymnasium of the school was filled with the exhibits from the community, which shows that this particular community has fallen in line with the new agricultural program, and are really putting this program into practice. Mr. F. C. Winston, the Agricultural Teacher, had wonderful cooperation with the committees in putting on such a creditable fair.

GOLDEN WEDDING ANNIVERSARY

On Sunday, Oct. 25, 1936, the children of Mr. and Mrs. Jos. T. Wilder of Castalia, entertained a large number of relatives and friends at dinner at the home place in celebration of the Golden Wedding anniversary of Mr. and Mrs. Wilder.

The home was decorated throughout with golden fall flowers. The sumptuous repast was laid on the lace covered dining table which was centered with a large wedding cake supporting fifty golden candles. Gifts were placed at either end of the table where covers were laid for the bride and groom of fifty years ago. Thanks were returned by the oldest son, Roy E. Wilder, of Spring Hope, after which the guests were served buffet style by Mrs. A. C. Farmer of Shelby, Mrs. W. C. Bethune, of Fuquay Springs and Mrs. P. R. Incoe, of Castalia. The bride was lovely attired in a lilac sheer wool and wore a shoulder corsage of pink tallgrass rosebuds tied with gold ribbon. The groom wore a brown business suit and a rosebud boutonniere. Dinner was served to thirty-five, and guests called during the afternoon. Everyone enjoyed the occasion and left late in the afternoon wishing the couple many more happy years together.

Insurance claimant tells how auto accidents happen:

"I misjudged a lady crossing the street."
"A pedestrian hit me and went under my car."
"I collided with a stationary street car coming in the opposite direction."
"My car was stolen, and I set up a human cry but it has not been recovered."
"I heard a horn blow and was struck in the back—a lady was evidently trying to pass me."
"If the other driver had stopped a few yards behind himself, the accident would not have happened."

Officer (to motorist)—Take it easy, didn't you see that notice: SLOW DOWN HERE?
Motorist—Yes, officer, but I thought it was just describing the village.

BUNN P. T. A. Practicing at 100

The local P. T. A. of Bunn High School held its regular meeting on Thursday night, Oct. 22. The meeting was called to order by the president Mr. W. A. Wiggs. Devotional was led by a group of second grade children followed by prayer by Rev. C. E. Crawford. The program committee, Mrs. C. E. Crawford continued in charge of a miscellaneous program contributed by pupils of the different grades. Little Master Harry Wilder was very good in clearly announcing the program. The children who rendered parts showed that they are doing a good piece of work in their rooms.

Following the children's program Mr. W. R. Mills county Superintendent of schools spoke in a forceful and impressive manner discussing the expense and upkeep of schools. Cooperation by both parents and teachers was greatly stressed by Mr. Mills which was a good piece of advice as many so expressed.

Our supervising principal Mr. Lamm also made a talk discussing the needs of the school and especially stressed the keeping of the school on the standard list by getting the required books, newspapers and periodicals for the library. A free Halloween program is to be given by the elementary grades on Friday night, Oct. 30, after which sales of candies, ice cream, drinks etc. and too there will be amusing games and "side" entertainments or shows. Talks by the different officers of the P. T. A. shows that we have a wide awake set of officers who are putting forth every effort in

making this a successful school year through the work of the P. T. A.

The minutes of the last meeting were read by the secretary Mr. J. R. White.

A report from the treasurer shows a balance of \$108.53 in the treasury.

The hospitality committee Mrs. R. B. Dodd cordially welcomed everyone back to the meetings each month. Through the hospitable manner of Mrs. Dodd everyone was made to feel that his interest in the school was keenly
