

"MILLS HI" PINWHEEL
 Spun by Priscilla Parrish

Well, Thanksgiving's over and now for another long grind of work before Christmas. We can take it, tho, 'cause we know that the teachers are going to be good to us just before Christmas. Why? you know they will, don't you? No hint!

III

The Seniors are going to have a school annual this year. It will be nice 'cause maybe some day we'll want to show it to our grandchildren just to let them know how we went to school.

III

The Dramatic Club is still gaining just in case you don't know. Mr. Brown is quite busy with his three English classes and all but we know it's going to be a pretty nice club, after all. 'Course we don't expect to be Garbos and Cornells right at first but we'll get there by and by.

III

The Sophomore girls are now making cakes. Fruit cakes! Yum! Yum! Such aromas going around the halls.

III

Basketball is going nicely now. We have some very good material and I'm telling you Miss Allgood is giving us the works. We've a game scheduled for December 8. That's just about a week off. Gee! Gold Sand at that! Well, no us crying over spilled milk.

III

A member of the Senior Class, Ed Richardson, has been away for about three weeks with bronchitis. He's better now and we hope he'll be back to school very soon.

III

The Junior Class sold subscriptions to magazines for money for a nice banquet this year.

III

Who's Who in M. H. S. this week. This week's who's who is also a Senior. A girl. She plays basketball (she's good, too), she sings in glee club, she's an awful good debater, she honors the school by representing it in Reading contests, she plays baseball, and goes out for track. She is very, very popular and funny! Really though, she is tops. Mills Hi should be proud of the one and only, Peggy Ford. Her real name is Susan Caroline Waddell Ford.

"The Charge Of Light Brigade"

The thundering hoofs that dashed across the pages of history to be immortalized by the unforgettable poem of Alfred Lord Tennyson — sound again through Warner Bros.' stupendous screen version of "The Charge of the Light Brigade," which comes to the Louisburg Theatre on Thursday and Friday, Dec. 10th and 11th, with Errol Flynn and Olivia de Havilland in the featured roles.

The picture, heralded as one of the biggest productions ever filmed by Warner Bros., has an all star cast of 20 noted actors in the important roles, and over fifteen thousand extra people. Scenes are said to be spectacular in the extreme, with border skirmishes, hand-to-hand fighting, and the soul-stirring charge of the Light Brigade. Scenes depict colorful interiors of the palace of Surat Khan, Amir of Suristan, with his Nautch dancing girls and slaves—as well as mammoth exteriors of British walled towns.

Others in the distinguished cast are Patric Knowles, Henry Stephenson, Nigel Bruce, Donald Crisp, David Niven, C. Henry Gordon, G. P. Huntley, Jr., Robert Barrat, Spring Byington, E. E. Clive, J. Carroll Naish, Lumsden Hare, Walter Holbrook, Princess Balgum, Charles Sedgwick, Scotty Beckett, George Regas, Colin Kenny, Gordon Hart and Helen Sanborn. Michael Curtiz directed.

Demonstrations for the control of leaf spot and leaf scorch diseases have been placed with strawberry growers of the Rose Hill, Warsaw and Calypso communities as a result of heavy damage by these diseases this year.

IT IS THE OPINION

of a large percentage of the well informed merchants and manufacturers that we are now entering a period of inflation that will take most commodity prices to the highest level of recent years. If there is anything you need to buy, buy it now. The chances are that it will be many years before you see cheaper prices.
