Here are the world's two canker sores, scenes of "undeclared" warfare and possible starting points for an Earth-encircling conflict. At left is mapped latest Sino-Japanese battle lines in North China and around Shanghai, including details of other important centers. At right is Spain after a year of "civil" war in which practically every major European nation has a hand. A cross-fire of diplomatic incidents on both sides of the world finds even the United States, forced to abandon a 20-year-old policy of isolation, aligned with the League of Nations in condemning "outlaws" and urging "quarantine" of aggressors.

TWO INSTANT-LY KILLED

IN HEAD ON COLLISION SATURDAY NIGHT

Two White Boys On Other-Crash On Fox Swamp Bridge On Halifax Road -Both Cars Badly Damaged

Possibly one of the biggest au-tomobile wrecks that has occurred in this vicinity in a long while occurred Saturday night around 12 o'clock on the Halifax high-way when two automobiles collided on the Fox Swamp bridgeabout two and a half miles from town, in which Jerry Ellis and Louis Durham, colored, were killed instantly and several in-

Jured more or less seriously.

An investigation by Coroner R.

A. Bobbitt, Sheriff J. P. Moore,
Officers C. E. Pace, C. F. Cash and A. W. Perry, revealed the information that Jerry. Ellis was driving a Ford model A automobile with eight other boys as pas-sengers, that he turned off the lights to the car to turn on the radio and was crossing the bridge going out of town as a Dodge Coupe containing J. L. Cunning-ham, and H. F. Dunn, two white men of Rich Square, came along. The driver of the Dodge not seeing the other car because of the lights being out attempted to cross the bridge, thereby causing the car with the negro boys and it to crash on the bridge. The dead boys were removed and pre-pared for burial while the wounded were taken to physicians for treatment. One of the negroes, Ernest Durham had his nose cut off and it is said took it to the doctor in his hand. The white doctor in his hand. The white boys received painful injuries, and were given treatment by local

physicians. Coroner R. A. Bobbitt held an inquest at which facts substanti-al to the above were brought out and the jury found a verdict "that Jerry Eilis, was the cause of the wreck by driving a car on the highway without lights." The jury was composed of the following: Kenneth Collier, C. F. Cash, V. B. Viverette, Henry Beasley, Claude Collins, J. L. Purgurson.

Both-cars were badly damaged. Messrs, Cunningham and Dunn are both with the State Highway Maintenance force and have head-

quarters at Wake Forest.
The colored boys were from the Gold Sand community. the Ford besides those killed were Henry Williams, Lee Durham, Obie Wright, Haywood Williams, Percy Wright, Ernest Durham, McKinley Alston.

WILLIE GRAY MURPHY

Mr. Willie Gray Murphy, aged Murphy, was found dead in corn field near his home near White Level, about seven o'clock Monday morning aby Mr. House, a neighbor. Coroner R. A. Bobbitt was called to the scene and it was determined no foul play was in evidence and that the deceased suffered a heart attack from which he failed to recover.

The deceased had been with the State prison forces as guard for a number of years and was popular among a large host of friends. The funeral was held from the home Tuesday afternoon and was conducted by Rev. F. G. Walker and interment was made in the family cemetery near the home. The pallbearers, were his nephews and cousins and were Linsey Gupton, Spencer Gupton, Clarence Murphy, Wilson Murphy, Forrest
