Essay Results
The results of the essay contest in the Franklin County League has been announced. They are as follows:

First place, Mills Hi; Second place, Epsom; Third place, Bunn; Fourth place, Franklinton.

The essay from Mills which won was written by Leonard Perry. We are very proud that this won first place which gave Mills Hi an additional hundred points for the League.

Around The Campus
Bruce Shearin, Jr. is now attending school regularly. He has been absent for a number of weeks because of an appendicitis operation.

The Juniors have set a definite date for the banquet. Plans are being made (with much secrecy); things are beginning to buzz!

One of the Mills Hi grads of '37 has been doing well at Mary Baldwin College. She is Peg Ford, daughter of Mrs. E. S. Ford. Peg recently wrote home the news that

shown by attractive drawings. Their history work, as is in many of the grades at the present, is the study of Holland.

Miss Smithwick's pupils are contrasting the modern and colonial home. On their sand table is a model of each type which they have constructed themselves.

Three girls in Mrs. A. B. Perry's first grade have had birthdays recently. The other children gave them a birthday party.

Miss Johnson's grade has organized a very worthwhile club, called the citizenship club. Every Tuesday and Friday morning their club meets in their room.

Cafeteria Being Painted
With paint being furnished by the county and work by the W. P. A. the cafeteria (the old academy) is being repainted.

Chapel Program
On Tuesday of last week, Mrs. Bailey's math class had charge of the chapel program.

Jackie Harkins began the program by playing "Gypso Rondo." Emma Leigh Strange also gave

us a piano selection. Billy Andrews played a piece on his clarinet.

The Math Class then gave us a play which showed us how incomplete the world would be without mathematics.

On Friday, Maxine Strickland and Carvel Tutor played several songs on the guitar. Among them were "Old Black Joe," "Home, Sweet Home," and "Home on the Range."

Anne Allen, Kathryn Foster, and Maxine Bailey sang several

songs.

Mr. Bill Parkins gave us a talk on the way to build our faith. He said to build it upon a strong foundation instead of a weak one.

"It is necessary to know the nature of the spine, what its natural purposes are, for such knowledge will be requisite in many diseases. One or more spinal vertebrae go out of their places, not very much from the rest, but just slightly each one gives way from the others. The vertebrae, one or more, need not get out of their places very much in order to produce discomfort to the patient, but if one or more do go out of place very much, it may cause death."

DO YOU ENJOY PERFECT HEALTH? If You do not, learn how to FIND it! If you do, learn how to KEEP it!

In a Health Survey made during the winter of 1935-1936 by the PUBLIC HEALTH SERVICE, said to be of the widest scope and most comprehensive taken in the United States, it was found that on an average winter day SIX MILLION persons were found SICK; that nearly 1,250,000,000 days are lost from work at home, school, or business each year as a result of this sickness that disables the individual for at least one week or more.

Are YOU among these 6,000,000 persons? CHIROPRACTIC'S Drugless Method of treatment and care can eliminate much of this. GET WELL and KEEP WELL with CHIROPRACTIC.
