ANNOUNCE ENGAGEMENT

The engagement of Miss Lillian Mitchiner, of Franklinton, N. C., to Mr. A. M. Stephenson, of Terre Haute, Indiana, was announced at a lovely party Saturday evening, May 7th, by Miss Ruth Dean at Coleraine Hall. After several progressions of contract bridge, little Ann Bunn and Jesse Harrell charmingly attired in full dress as bride and groom entered bearing to Miss Mitchiner's table a center piece of silver and cellophane adorned with a bride and groom motif; similar centerpieces were provided for the other tables. Colorful refreshments were served and each guest found in the heart of the white rose on her plate the announcement. Speak Lillian-July. While Miss LeGrand Elliott played the wedding march from Lohengrin the junior bride and groom re-entered bringing in a rose the engagement ring, which the tiny groom placed on the finger of the bride elect. The gift of the hostess to Miss Mitchiner was a lovely piece of lingerie. Misses Martha Spivey, Sarah Gurley and Josephine Hoback, all brides elect, were also remembered with gifts. Miss Mary B. Cannon was high score winner for the evening and was presented a piece of pottery. Those enjoying Miss Dean's delightful hospitality were: Misses Martha Spivey, Sarah Gurley, Josephine Hoback, Mary B. Cannon, Vernie Eddings, Elizabeth Tait, Marjorie Cannon, Christine Nelson, Mary Lowder, Mesdames Edwin Akrs, Thelma Daughtry, John M. Smith, C. W. Davis, W. S. Dean, Jesse Harrell and D. C. Clarke.—Herald, Roanoke Rapids.

FOR THE HOUSE OF REPRESENTATIVES

ASHER F. JOHNSON

A LAST MESSAGE

Saturday (tomorrow) is primary day. It is the day you should go to the polls and select the ones you wish to hold offices and conduct the public business the next two years. Do this thing fearlessly, and positively. Regardless of what anyone might say or what claims any candidate might make, go out and vote for your choice among the candidates.

At this time I want to thank the many citizens of Franklin County for the many nice things they have said to and about me regarding my candidacy. These splendid words of commendation have made the campaign well worth the trouble and expense and makes me feel deeply grateful to all, for their expression of faith and confidence in me.

While I am interested in my nomination, which at present seems assured, with an indication of carrying at least nine out of ten townships, I am more interested in every person in the county who is entitled to vote, going out Saturday and casting their ballot. This is the one thing every citizen should do and I hope you will go to the polls Saturday and cast your vote.

I believe every voter in Franklin County wants a free and unhampered administration of its affairs and representatives who can work in harmony with other counties. You have known me well enough and long enough to know how well I will fit into this desire. I will consider it an honor to represent you. But bear in mind the larger my vote, the more and stronger it will make my position by showing that you are more united behind me. Don't be misled by the many reports my enemies have been broadcasting in order to defeat me.

I still believe in—
 Good schools, good roads, low taxes, fair and impartial administration, more equitable adjustment of the tax burden, eliminating any tax possible without crippling our government.

- Strict economy in handling public funds.
- Elimination of all unnecessary employees, commissions, boards, etc.
- Returning the government and control of local matters to the people.
- Elimination as far as possible of centralization in all public matters.
- Telling the tax payers who gets their tax money and what for.

Again assuring you of my desire to be of service to the people of Franklin County, especially the little fellow, I hope to be of further service, and thanking you for what you have said and done and what you will say and do tomorrow. I am

Yours to serve,
ASHER F. JOHNSON.
