NEEDED
Shifts to high analysis fertilizers are creating a need for more exact labeling, including the content of the secondary elements in the mixtures, say U. S. Department of Agriculture chemists.

The man who borrows and runs away can scarcely hope to borrow another day.

It is said the brain works best early in the morning. At least until one gets to the office.

Used car values no motorist should miss!

Ford dealers now offer 1938 and 1937 used Ford V-8's—Modern Style... Modern Performance at Low Used Car Prices!

Why not get a modern car for your used car money? The 1938 and 1937 Ford V-8's now being offered by your Ford dealer are distinctly modern—and their engines are V-8's with smoothness and flexibility fewer cylinders can't match. They are famous for economy, with Thrifty '60' owners reporting 22 to 27 miles per gallon of gasoline! Many of these cars have R&G guarantees—assuring you complete satisfaction or your money back! Each car is in A1 condition, with thousands of miles of quality transportation for you to enjoy! Make your next used car a car you can be proud to own and proud to drive. Make it a Ford V-8!
