ORDER AUTHORIZING \$10,000 SCHOOL BUILDING BONDS WHEREAS, the Board of Education of Franklin County has certified to this Board a resolution passed by said Board of Education on April 3, 1939, showing that it is necessary in order to maintain the constitutional six months' school term to erect and equip a four-room school building at Epsom, adjoining the building now known as Epsom High School, in Hayesville Township, upon a site now owned by the County; and WHEREAS, said resolution represents that no funds are available and no provision has been made by local tax or otherwise by which said school building can be provided and requests this Board to order and issue a sufficient amount of County bonds in order to secure funds for providing said school building; and WHEREAS, the Board of Commissioners has carefully examined the facts and has determined and hereby finds as a fact that said statements of said resolution are true and that it has become the duty of said Board of Commissioners for the County of Franklin, acting as an administrative agent of the State in providing a State system of public schools to order the issuance of a sufficient amount of County bonds in order that said school building may be provided in order to maintain the constitutional six months' school term; now, therefore, BE IT ORDERED AND RESOLVED by the Board of Commissioners for the County of Franklin:

in an amount not exceeding \$10,000 for the purpose of erecting and equipping a four-room school building at Epsom, adjoining the building now known as Epsom High School, in Hayesville Township, upon a site now owned by the County, in order to maintain the constitutional six months' school term.

2. That a tax sufficient to pay the principal and interest of said bonds when due shall be annually levied and collected.

3. That a statement of the County debt has been filed with the Clerk and is open to public inspection.

4. That this order shall take effect thirty days after the first publication thereof after final passage, unless in the meantime a petition for its submission to the voters is filed under said act and that in such event it shall take effect when approved by the voters of the County at an election as provided in said act.

The foregoing order has been introduced and a sworn statement has been filed under the County Finance Act, showing the assessed valuation of the County to be \$11,721,062.00, and the net debt for school purposes, including the proposed bonds, to be \$133,760.00. A tax will be levied for the payment of the proposed bonds and interest, if the same shall be issued. Any citizen or taxpayer may protest against the issuance of such bonds at a meeting of the Board of County Commissioners to be held at 10 o'clock, A. M., April 17, 1939, or an adjournment thereof.
