

HOME-COMING AT CYPRESS CHAPEL

Revival Meeting to follow—Rev. A. A. Pippin to Preach in Afternoon.

On next Sunday, June 11, 1939 Home-Coming will be observed at the Cypress Chapel Baptist Church at Seven Paths. All present and former members along with all former pastors are requested to attend. Rev. A. A. Pippin, a former pastor, will preach in the afternoon.

Cypress Chapel church was organized in 1855 with three charter members living near Cypress Creek, therefore the church was called Cypress Chapel. The first house of worship was located about four miles east of Bunn on the road that leads from Anderson's bridge to Louisburg. Then later in building a new house the present location at Seven Paths was chosen because of its convenience. It was about 1895 that this change took place. Funds were hard to raise at this time and Mr. W. A. Moore mortgaged his home to help complete this house of worship. After his death in 1900 this debt was paid off by the church.

In 1856 this church was received into the Tar River Association at Salem Church in Wilson County. Since that time the association has met twice with Cypress Chapel 1867 and 1922. In the meeting of 1867 Brother Geo. M. Duke preached his first sermon before the association. He preached from Psalm 116:12 "What shall I render unto the Lord for all His benefits toward me?"

Several ministerial students have gone out from Cypress Chapel and are making a place of service for themselves. In the history of the church it has been served by 22 pastors. The present pastor, Rev. Ernest Y. Averett who has been pastor since November 1936 is the 23rd pastor.

This great church is well equipped to serve the community with its large auditorium and 15 Sunday School rooms. The present Sunday School Superintendent is Mr. Ewell Moore, son of Mr. and Mrs. Hardy Moore, of Seven Paths. It is hoped that many will attend the Homecoming on next Sunday.

Beginning Monday night at eight o'clock and continuing through the week, Rev. John Ed-

wards will conduct the annual protracted meeting. There will be beginning on Tuesday, afternoon and night services, at three o'clock and at eight o'clock.

Brother John Edwards is one of our strong preachers and we hope there will be large crowds to hear him at each service. The public is cordially invited to all of these services.—Cont.

FOOD SALES HERE RETURN \$34,164 IN HIDDEN TAXES

Families in Franklin County pay an estimated \$34,164 in hidden taxes annually through their purchases of food, a National Consumers Tax Commission survey showed today. "Nearly eight per cent of the total food bill represents shifted taxes buried in the price of every purchase," the report stated. "These unseen levies, for example, take 11 per cent of butter costs, 6 1/2 per cent of bread costs, 10 1/2 per cent of sliced bacon and 14 1/2 per cent of the cost of coffee."

The report was made public through Mrs. William T. Hannah, of Waynesville, state director, who leads NCTC study groups in about 110 North Carolina communities in the educational crusade against "unnecessary consumer-penalizing taxes." The report added: "Chief offenders, and those that fall most heavily on lower income families, are hidden taxes. These are levied originally against the producer, manufacturer, shipper and distributor. Unable to absorb the load, each must pass on a share of its taxes and the consumer ultimately pays them, usually without knowing it." The commission, in whose non-partisan crusade groups in 4,600 communities have launched tax study programs, said the hidden

tax figure does not include the many other hidden and direct taxes families here have to pay. The food tax estimate was computed from NCTC averages based on last available U. S. Bureau of the Census figures which placed 1935 food sales in the county at \$438,000. Government estimates of total sales in the country last year approximate the total in the 1935 study, the NCTC said.

MAY APPLY NOW FOR LOANS TO BUY FARMS

Tenant farmers in Franklin county, hoping to buy farms for next year under the tenant-purchase program of the Farm Security Administration, may place their applications now for loans, said Paul B. Cone County Supervisor, whose office is located in the Ford Building Louisburg, N. C.

It is anticipated that a limited number of loans to buy and improve farms will be made to hard working farm tenants and farm laborers of outstanding ability who are approved by the County Tenant Purchase Committee, and who are able to find good family-sized farms at reasonable prices, Mr. Cone said. The loans will be limited in accordance with money appropriated by Congress, he said. Further information about the tenant-purchase program may be secured from Mr. Cone's office, or from any member of the County Committee. Members of the Committee are W. T. Moss, Youngsville; J. O. Wilson, Rt. 4, Louisburg; and H. A. Faulkner, Rt. 3, Louisburg. Mr. Cone said that 9 loans to buy farms already have been approved in Franklin County and 8 families have moved to their new farms.

Mrs. William Persoh, Miss Braxton, Mr. Barnes and Mr. Glenn Beasley represented Franklin County at the District Recreation School held at Camp Vade Mecum in Stokes County, May 29, 30 and 31st. This school was sponsored by the Extension Service Department and conducted by Miss Stevens, from N. Y., a representative of National Recreation Association. The school was held for Extension Workers and community leaders who can help with 4-H Club work and community recreational programs. Only four representatives per county were permitted to attend the camp. Six hours per day were devoted to instruction in games and methods of conducting recreational programs.

On Monday, June 19th at the Agricultural Building at 2:00 P. M., Mr. John Harris, Landscape Specialist, will hold a Countywide meeting. He will show pictures and discuss yard beautification. June 21st there will be a pickling demonstration in Durham at 10:00 A. M. at the Exchange building for the women of Durham and surrounding counties. Franklin County women are included and invited to attend. Franklin County women are to have a radio broadcast over W. P.

FORT BRAGG C.M.T. CAMP TO OPEN JUNE 14TH

Preparations are rapidly being completed for the reception on June 14th of approximately 650 young men at Fort Bragg, N. C., for a month's training with the Citizen's Military Training Camp. A great deal of interest has been shown this year by the return of a large number of men who have attended the Camp at Fort Bragg in previous years. Extensive plans are being made to make this year's camp both beneficial and pleasant for the trainees. The Camp will be organized as a regiment of light artillery consisting of two battalions of three batteries each. The batteries will be equipped with the "French 75", gun, one of the finest weapons in use during the World War. Supervised athletics will be held for all men in camp and numerous competitions will be held in such sports as swimming, boxing, tennis, volley-ball and track. The Camp Area is under the command of Brigadier General Bryden who is in command of Fort Bragg. Lieutenant Colonel James A. Lester, 17th Field Artillery, will be Camp Executive and, under his direction, a small group of regular army officers and enlisted men will carry on the administrative functions of the camp while instruction in military subjects will be given chiefly by officers of the 334th, 335th, and 336th Field Artillery.
