**AMERICAN BOY MAGAZINE**  
COMPANION TO THOUSANDS  
Hundreds of thousands of boys and young men read THE AMERICAN BOY Magazine every month and consider it more as a living companion than as a magazine.

"It's as much a buddy to me as my neighborhood chum," writes one high school senior. "THE AMERICAN BOY seems to understand a boy's problems and considers them in such a sympathetic and helpful way. It gives advice and entertaining reading on every subject in which a young fellow is interested. It is particularly helpful in sports. I made our school basketball team because of playing tips I read in THE AMERICAN BOY."

Many famous athletes in all sports credit much of their success to helpful suggestions received from sports articles carried in THE AMERICAN BOY Magazine. Virtually every issue offers advice from a famous coach or player. Football, basketball, track, tennis, in fact every major sport is covered in fiction and fact articles.

Teachers, librarians, parents and leaders of boys clubs also recommend THE AMERICAN BOY enthusiastically. They have found that as a general rule regular readers of THE AMERICAN BOY advance more rapidly and develop more worthwhile characteristics than do boys who do not read it.

Trained writers and artists, famous coaches and athletes, explorers, scientists and men successful in business and industry join with an experienced staff to produce in THE AMERICAN BOY, the sort of reading matter boys like best.

THE AMERICAN BOY sells on most newsstands at 15c a copy. Subscription prices are \$1.50 for one year or \$3.00 for three years. Foreign rates 50c a year extra. To subscribe simply send your name, address and remittance direct to THE AMERICAN BOY, 7430 Second Blvd., Detroit, Michigan.

**Thoughts For Your Health**

It is necessary for Vital Energy to be properly delivered to the organs and parts of the body through the innumerable nerves and nerve pathways so that the organs may function or carry on their work properly. The Central Nervous System (brain and spinal cord) is the site for the creation of this Vital Energy. The many, many nerves emerging from them transmit this energy or power to the organs. Where the condition of the spine (doorway for the nerves leaving the spinal cord) and the nerves is such as to cause interference with the delivery of vital energy, it is useless to apply palliative measures in an effort to stimulate normal action. That only relieves the effects, it does not remove the cause.

**REMOVE THE CAUSE!**

The power for normal action comes from within. The ability to cure lies within. Health comes from within and is maintained by free and natural expression of internal vital energy. Chiropractic seeks to remove the cause. This drugless profession seeks to release or remove any interference with the flow of the vital energy and aids nature in the correction and expression of normal activity.
