

OXFORD ORPHANAGE POINTS TO RECORD

6,000 Children Trained By Pioneer Institution In Social Welfare Work

The Oxford Orphanage at Oxford, North Carolina, has a record of sixty-seven years of service to the children of North Carolina. Over 6,000 have been cared for and trained and the Home is filled to capacity all the time and has a waiting list. Its graduates and former pupils are in all walks of life and there is no record of a former pupil having been convicted and sentenced for committing a major crime. It is the oldest orphanage in the State and the only fraternal order orphanage in the United States that receives children other than those of the membership of the supporting order.

At the present time 50% of the population of the Orphanage is of Masonic parentage. The Home possesses valuable buildings, grounds and equipment and has had no operating deficit for several years.

The annual budget of the Orphanage calls for an expenditure of \$170,000.00. This provides shelter, clothing, food, recreation, heat, light, books, school supplies, health program, star of trained workers, vocational training in several departments, laundry, repairs and upkeep to buildings, grounds and equipment, and experienced case work for a family of more than 330 children.

During this year much needed repairs and replacements have been made in an effort to provide more comfortable living quarters for the children and enable the Orphanage to continue its high standard in the country as an agency for care and training.

Better living facilities have been provided in all the cottages and every effort has been made to make conditions more home-like. Superintendent C. K. Proctor announces that the sum of \$12,500.00 is needed this year in addition to operating expenses in order to provide for the repairs and improvements that have been made.

The Oxford Orphanage is more than a philanthropy—it is an investment in the lives of North Carolina boys and girls who would not otherwise have a chance. It pays to the State and its citizenship the high dividends in character and trained young people. It is an opportunity today for North Carolina citizens to express in a substantial way their desire to help others.

The orphanages of the State use the Thanksgiving season as an occasion to appeal to the citizens of the State for much needed assistance. The Superintendent of the Oxford Orphanage announces that the Home is open for visitors each day and hundreds of North Carolina citizens visit this historic spot every year.

North Carolina's Tar Heels held the Deacons of Wake Forest to 119 yards carrying, but the Wake's have nevertheless maintained an average of 370 1/2 yards per game in six contests to-date.

Oats For Corn Shortage

Farmers in this section who face a probable shortage of corn this season because of unfavorable weather, can sow fall oats and thereby avoid having to buy feed next spring, according to William E. Adams, Assistant Agronomist of the Soil Conservation Service in the Franklin County Work Unit of the Tar River Soil Conservation District at Franklinton.

In the sowing of fall oats maximum protection against erosion can be secured by setting up a strip rotation, it is pointed out. A desirable strip rotation can be established by sowing each third terrace interval to oats and following the oats with lespedeza

or some other summer legume. The two intervening terrace intervals can be planted to winter legumes, followed by row crops. This will provide a two-year rotation on terrace intervals devoted to row crops.

Upon completion of the rotation, according to Adams, the grain strip can be moved either up or down hill, again using each third terrace interval for grain and summer legumes.

Where machinery is used for harvesting grain, two or more adjacent terrace intervals may be used and the same rotation put into effect. Such rotations provide for maximum use of legumes for soil building.

Wake Forest's Demon Deacons have rolled up 2,223 yards rushing the ball in six games this season for an average of 370 1/2 yards per tilt.

HOSTESS TO CLUB

Miss Elizabeth Timberlake was hostess to her contract club Friday afternoon.

Mrs. H. J. Lewis scored high for club members and Mrs. J. E. Fulghum for guest.

A salad course with tea and candy was served by the hostess assisted by Mrs. J. M. Allen II and Mrs. Hill Yarborough.

Guests beside club members were Mrs. J. E. Fulghum, Mrs. Paul Elam and Miss Camille Swindell.

Farm wages, averaging \$1.57 a day without board, were about the same on October 1 as they were three months earlier, reports the U. S. Department of Agriculture.
