FROM INGLESIDE

Hutson deplora sales stampede, and urges farmers to market their tobacco more slowly for better results.

"Nothing is so pleasing to you when you have obtained it, as it was when you merely desired it." Numerous as they are here divorcees are not confined to the United States. According to statistics nearly 50,000 divorcees have been granted in England since the World War.

Tobacco is still being marketed in large quantities if one is to judge from the many truck loads passing over this highway. And better prices are reported for the grades more in demand.

Many of our farmers are seeding wheat and other grain during the fine season for that work. It is believed that more wheat has been planted than in some former years.

Friends of Miss Claudia Robertson, of the FRANKLIN TIMES staff, were pleased to have her in their midst again for her usual week-end at home.

One good lesson that statistics teach is, that if you want to live a long life and a healthy one, drink plenty of milk. The three nations with the highest per capita consumption of milk and its products have also the longest life span—all in excess of 60 years.

Newton said a long time ago: "If you do not practice friendship among people you do not like, you will not be able to make friends with people you do like." "Let us not revel in our dislikes."

Halifax can perhaps boast as many or more newspapers, than any other county in the State,

with no large cities. There is a good paper each in four towns of that county. Enfield, Scotland Neck, Weldon and Roanoke Rapids. There are also good newspapers in the adjoining counties to Halifax, including, Warren, Franklin, Nash, Edgecombe and Pitt.

How would this do for a sign, painted in large letters, to hang over the head of the Judge in every court house in the State. It is from the Book by which we take oath to tell the truth: A false witness shall not be unpunished and he that speaketh lies shall not escape.

Judge Henry L. Stephen set a precedent in the last court he held in Louisburg as to the false testimony of witnesses.

MRS. A. C. CARTER

Mrs. Martha Carter, widow of Algie C. Carter died at the home of her son, J. W. Carter, Saturday a. m., October 21, at 10:25 o'clock.

She was 81 years of age and was preceded to the grave by her husband eleven years ago. Mrs. Carter had been a great sufferer for a long time. We all believe she has a crown in heaven for she was a true Christian until the end.

She is survived by a stepmother, Mrs. John R. Jeffreys, one son, J. W. Carter, one sister, Mrs. S. Ransdell, three brothers, Bob, Leo and Johnnie Jeffreys, two half-sisters, Mrs. M. H. Moye and Mrs. J. B. Nowell, four half-brothers, M. B., C. D., O. G. and J. E. Jeffreys and seven grandchildren.

The funeral services were held from the home Sunday afternoon conducted by Rev. E. Y. Averett and interment was made at the

Bunn cemetery. Large numbers attended both services and the ural tribute was especially large and pretty.

The pallbearers were nephews of the deceased and were, Frank, Clarence, Thomas and William Jeffreys, Woodrow Moye and Willie Nowell.

The bereaved family have the sympathy of all.

ENTERTAINED

The freshman class of Gold Sand High School was delightfully entertained by the sophomore class at the home of Beulah Edens a sophomore, on Friday evening, October 20, 1939.

Games were played throughout the evening and enjoyed by all, and refreshments of grape juice and vanilla wafers were served. Around fifty attended the party.

CARD OF THANKS

We wish to express our thanks and appreciation to all those who were so kind and helpful during the illness and death of our dear mother and grandmother. They will be long and tenderly remembered.

Mr. and Mrs. J. W. Carter and Children.

Wake Forest's 190 points in six games to-date this season is the highest team scoring mark in the nation. In the last three games, the Deacons have rolled up 121 points without yielding a single point.

A good way to keep that love from wanting is to get a job and work at it.

Orange County 4-H Club work for the new year got underway with the reorganization of the Murphey Club, reports Assistant Farm Agent Joe N. Howard, Jr.

Mary—I'm only 24 years old. Would you believe it? Jane—You've stuck to that story so many years I have to believe it.

Foliage of velvet and soybeans has been damaged severely this fall in Bladen County by the army worm, reports Assistant Farm Agent R. M. Williams.

The quality of the Wayne County hay crop has been described as the best in recent years by Farm Agent C. S. Mintz of the State College Extension Service.
