WALKER ACCEPTS THREE-YEAR GRID CONTRACT

Greason Is Named Baseball Mentor; Stands Enlarged

(By W. Joynes MacFarlan)
Wake Forest, Jan. 23.—President Thurman Kitchen of Wake Forest College said today that D. C. (Peahead) Walker, head football coach, had accepted a new three-year contract.

Walker agreed to devote his full time to college work and give up managing baseball teams in the summer. He got a pay boost.

President Kitchen said that Murray Greason, assistant football coach several years, would become varsity baseball coach, continue in charge of varsity basketball, and assist in freshman football. Greason also will give up managing baseball teams in the summer.

Last summer Walker managed the Snow Hill team of the Coastal Plain League and Greason a semi-pro team at Great Falls, S. C.

Walker accepted his new contract this morning in a letter to President Kitchen. He had been considering conditions laid down by the executive committee and the athletic council in the new agreement offered him two weeks ago.

Walker will name his assistant coach to succeed Greason. Greason, in baseball, succeeds John Caddell, veteran Deacon mentor, who resigned early this month because of illness.

The president also announced approval of an addition to Groves football field to provide 10,190 seats and give a seating capacity, including temporary bleachers, of about 18,000. The new addition will be of steel and sheet metal, with wooden board seats, instead of the concrete type of stadium.

"It's a fine site," said President Kitchen, "and from the front you can hardly tell that it is not concrete."

The Demon Deacons will play the undefeated University of North Carolina basketball team at Wake Forest, Tuesday night, Jan. 30th. This game is expected to draw a large crowd and is expected to be one of the best games of the season.

MISS CROWDER ENTERTAINS

Miss Aileen Crowder entertained her bridge club at the home of Mrs. A. M. Hall on Monday evening.

High score prizes were awarded to Mrs. W. R. Hartness for visitors and to Miss Rose Malone for club members. Mrs. David McKinnon Pearce, a recent bride, received a gift.

The hostess served a salad plate and cranberry punch to the following guests: Mrs. W. R. Hartness, Mrs. J. W. Mann, Miss Annie Green, Miss Hazel Johnson, and club members: Mrs. W. E. Collier, Jr., Miss Peggy Ford, Mrs. David McKinnon Pearce, Mrs. W. C. Boyce, Mrs. Douglas Perry, Miss Rose Malone, and Mrs. Hamilton Hobgood.

"COTTON ED" BECOMES NEW SENATE DEAN

South Carolinian Was Two Years Behind Borah

Washington, Jan. 24.—Senator Ellison D. Smith (D.-S.C.), mustached and blustery, who became dean of the Senate with the death of Senator Borah, began his service 31 years ago. That was two years after Borah came to Washington.

Both Smith and Senator Carter Glass, of Virginia, hide their age from the congressional directory. But Smith is six years younger than Glass. Smith will be 76 in August; Glass was 82 in January.

Glass came into the Senate in 1920 and is 12 men down the seniority list from Smith. Both have had their arguments with the New Deal, and President Roosevelt tried to have Smith defeated in 1938.

If there is a pay-off for being dean, it is prestige. It is simply an honorary title, emptier than most titles. It carries neither more money nor more patronage. It means simply that a man has been re-elected more times than anybody else in the Senate.

Sentinels of Health

Don't Neglect Them!
Nature designed the kidneys to do a marvelous job. Their task is to keep the flowing blood stream free of an excess of toxic impurities. The act of living—life itself—constantly produces waste. Matter the kidneys must remove from the blood if good health is to endure. When the kidneys fail to function as Nature intended, there is retention of waste that may cause body-wide distress. One may suffer sagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—feel tired, nervous, all worn out.

Frequent, stony or burning passages are sometimes further evidence of kidney or bladder disturbance. The recognized and proper treatment is a diuretic medicine to help the kidneys get rid of excess poisonous body waste. Use Doan's Pills. They have had more than forty years of public approval. Are endorsed by the country over. Name on Doan's. Sold at all drug stores.

DOUGHTON URGED TO STAY IN CONGRESS

Kannapolis, Jan. 24.—Democratic chairman of Cabarrus, Rowan, Stauhy, Iredell, Ashe, Alexander and Alleghany counties and other party leaders asked Representative Robert L. Doughton in a telegram yesterday to reconsider his decision to quit politics at the end of his current term.

The message from the ninth district read in part: "x x x We feel that on account of the conditions which the federal government must meet, brought on by world turmoil, that your experience and sound judgment will be needed in congress possibly more than ever before."

Franklinton.—W. R. Winston, 80, died at his home here early Saturday. He leaves his wife, Priscilla Collins Winston, and the following children: Maynard Winston, Franklinton; Mrs. J. M. Kiser, Robert L. Winston, Mrs. B. C. Stogner, all of Charlotte; Mrs. W. W. Puckett, Woodbridge, N. J.; Mary Ella Winston, Richmond, Va.; and a sister, Mrs. Annie Goswick, Franklinton.

Funeral services will be held Sunday at 3 o'clock at the home with the Rev. S. E. Mercer and the Rev. J. T. Biddle in charge, interment following in Fairview Cemetery, Franklinton.

Oldwalt says: "Probably the shortest book ever written would be 'Who's Who in Germany.'"

Cooke's corner in James Allen's line; thence S. 2d W. 18 poles 5 links

NEW MIRACLE OF SCIENCE INCREASES SIZE OF FISH

Size of crappie added to pond. 5 months later in unfertilized pond. 5 months later in a fertilized pond.

One of the latest wonders of modern science is the discovery that the size of fish may be greatly increased by the use of fertilizer to promote the growth of underwater vegetation.

Well known to Southern farmers is the power of American fertilizers to step up growth in field crops. Few, however, know that sensational increases in fish development have been made by those same fertilizers.

Sequences showing the remarkable development are contained in the color and sound motion picture "The New South," currently being released throughout Southern states by the distributors of Arcadian Nitrate. The film was made by a

production company of experts who toured the South during the past summer using natural scenes and volunteer actors.

The picture portrays the industrial and agricultural progress of the Southland from the days before the coming of the first white man. It stresses the part that nitrates have played in Southern development, and their importance in the program of self-containment for the South.

The increase in the size of fish by fertilizing the underwater vegetation is but one of the demonstrations in the picture of the wonders that may be achieved by the use of scientific methods on the farms of the South.

more or less, and being a part of the tract of land conveyed by Mrs. Sarah W. Morris to J. T. Phelps, and was conveyed to Annie Wilber Allen by William F. Joyner, Trustee. For a further and more adequate description reference is hereby made to Book 337 at page 113, Franklin County Registry.

The successful bidder will be required to deposit with the trustee a sum equal to 10% of the amount bid, to secure compliance with the terms of the sale. Dated and posted this 23rd day of December, 1939.

W. L. LUMPKIN, Trustee. Charles P. Green, Attorney. 12-29-4t

NOTICE

The foregoing sale, which was originally scheduled for Thursday, 25 January 1940, is, by consent of all parties, continued until twelve o'clock noon, Monday, 19 February 1940.

W. L. LUMPKIN, Trustee. Charles P. Green, Atty. 1-26-3t

NOTICE OF SALE

Under and by virtue of the terms of that certain Deed of Trust dated the 18th day of November, 1937, executed by T. T. Beckham, Ruth Beckham and husband, B. B. Beckham, to W. L. Lumpkin, trustee, duly recorded in the office of the Register of Deeds for Franklin County, North Carolina, in Book 338 at page 102, the undersigned trustee, having been requested by the holder of the note secured by the said Deed of Trust to advertise the lands described therein, will offer for sale to the highest bidder for cash at the courthouse door in Louisburg, Franklin County, North Carolina at twelve o'clock noon, on

THURSDAY, 25 JANUARY 1940 the following described lands: All that certain piece, parcel or tract of land consisting of one hundred sixty four and seven-tenths (164.7) acres, to be the same more or less, situate, lying and being on the Louisburg and Franklinton River Road about six miles from the town of Louisburg, in Franklinton Township, Franklin County, State of North Carolina, adjoining the lands of Edmond Johnson and others, and more particularly described by metes and bounds as follows:

Beginning in the center of the Louisburg - Franklinton River Road, a stake on the North side, corner for Mrs. W. H. Allen in Robert Alston's line, thence along the said road in the following courses: South 85 degrees 30 minutes West 478.6 feet; South 69 degrees 10 minutes West 297.3 feet; South 56 degrees 35 minutes West 533.7 feet; South 61 degrees 30 minutes West 227.4 feet; South 84 degrees West 262.5 feet; North 81 degrees 50 minutes West 868 feet; North 86 degrees West 425.7 feet to corner in center of said road, a stake on North side; thence South 4 degrees 45 minutes West 1995.5 feet to a Hickory; thence South 88 degrees East 3910.5 feet to a poplar on bank of branch; thence up said branch its various courses to a poplar; thence North 9 degrees 30 minutes West 955 feet to the beginning, containing one hundred sixty four and seven-tenths (164.7) acres, to be the same
