

### Louisburg College At Style Show

Raleigh, April 16.—Sixteen students from Louisburg College will be among the 143 girls representing nine North Carolina colleges who will model clothing made by themselves in the 13th annual Cotton Style Show at State College, April 25, Dean Nelson of the Textile School announced today.

The Louisburg entrants are Misses Hattie Avery, Cove City; Lois Lee Britton, Seaboard; Margaret W. Byrum, Edenton; Ruby Gore, Clinton; Myrtle Gresham, Oxford; Claire Hill, Youngsville; Dorothy Long, Englehard; Nell Peterson, Parkersburg; Aileen Rogers, Wake Forest; Louise Shearon, Bunn; Lizzie Smith, Raleigh; Ruth Stallings, Hobbsville; Mary Watkins, Stem; Rose Ella White, Norlina; Matilda Whitley, Smithfield; and Kathleen Britt.

They will be accompanied by Mrs. I. D. Moon, home economics teacher.

Other colleges participating in the Style Show will be Meredith, Greensboro, Elon, Peace, Appalachian State, St. Mary's, Flora Macdonald and Queens.

All of the participating girls are making their garments with fabrics designed and woven by students in the State College Textile School. The Style Show was originated by Dean Nelson in 1928 to boost the use of cotton in feminine wearing apparel, and over 1,200 college girls have modeled in the first 12 fashion exhibitions.

Many of these girls now are teaching home economics and spreading Dean Nelson's doctrine that cotton goods can be converted at home into fashionable and economic clothes.

Each girl participating in the Style Show was permitted to select her fabrics from samples submitted by the textile students. They are making the garments as part of their work in home economics.

After the Style Show, the 143 visiting girls and their teachers will inspect State College's new textile building and see students demonstrate the processes in transforming raw cotton into beautiful fabrics.

Girls in this year's Style Show represent 78 North Carolina communities and eight other states.

### NEGRO FARM MEETING HELD

The Negro Farm Club of the Bunn district met Thursday night April 4th in the Gethsemane High School. After the opening, the Negro County Agent, J. E. Tuck, presented the assistant County Agent, Mr. Barnes, (white). Mr. Barnes explained the tobacco and cotton parity. J. E. Tuck discussed the control of the boll weevil.

The domestic wheat supply in 1940-41 is expected to total approximately 900,000,000 bushels, estimated the U. S. Bureau of Agricultural Economics.

### That Nagging Backache

May Warn of Disordered Kidney Action  
Modern life with its hurry and worry, irregular habits, improper eating and drinking—the risk of exposure and infection—throws heavy strains on the work of the kidneys. They are apt to become over-taxed and fail to filter excess acid and other impurities from the life-giving blood.  
You may suffer nagging backache, headache, dizziness, getting up at night, leg pains, swelling, feet constantly tired, nervous, all worn out. Other signs of kidney or bladder disorder are sometimes burning, scanty or too frequent urination.  
Try Doan's Pills. Doan's help the kidneys to pass off harmful excess body waste. They have had more than half a century of public approval. Are recommended by grateful users everywhere. Ask your neighbor!

### FRANKLINTON PARTIES CENTER AROUND BRIDGE

Franklinton.—Monday evening, Mrs. V. D. Estes and Miss Annie Tucker Moore were joint hostesses to their contract bridge club. A salad course was served. Receiving prizes were Miss Bertha Futrelle and Miss Edna Davenport. Guests included Miss Bertha Futrelle, Miss Edna Davenport, Mrs. Fred Blount, Mrs. Dave McIntyre, Mrs. W. L. Stone, Mrs. W. H. Green and Mrs. J. O. Green.

The American Legion Auxiliary was hostess Thursday evening at a bridge tournament in the community room of Franklinton Graded School building. Thirteen tables were in play, ten of bridge and three of set-back. Two games of bingo were played and prizes were awarded Miss Minnie Harris and Mrs. M. W. Hardy. Those receiving high score table prizes were Mrs. J. E. Brady, Miss Flora Phillips, Mrs. C. L. McGhee, Mrs. Woodrow Haskins, Mrs. Fred Blount, Miss Sarah Alice Morris, Mrs. H. C. Kearney, Miss Carolyn McGhee, Mrs. A. E. Henderson and Miss Mildred Carter.

Receiving low score prizes were Miss Grace Brown, Miss Bertha Futrelle, Mrs. W. H. Green, Miss

Ruth Wilder, Mrs. Ted B. Davis, Mrs. A. B. Weester, Jr., Mrs. J. A. Cox, Miss Helen Stoneham, Miss Marguerite Moss and Mrs. M. W. Hardy.

High scorers for set-back were Mr. E. G. Rogers, Miss Ora Winston and J. W. Hamm, while low scorers were Mrs. Lois Long, P. P. Purnell and A. B. Allen.

Punch, sandwiches and wafers were served.

Miss Flora Phillips entertained members of her bridge club and a number of extra guests Saturday evening at the home of Mrs. P. P. Purnell. Seven tables were arranged for play.

The hostess, assisted by Mrs. Purnell and Mrs. H. C. Taylor, of Louisburg, served cream, cake and nuts.

Prizes were awarded Mrs. J. E. Brady, high scorer for club, and Miss Claire Kearney, guest high.

Barring serious blue mold attacks and inclement weather, tobacco plants should be available for transplanting in Wilson County between May 1 and 10, says Assistant Farm Agent J. A. Marsh.

In the old horse and buggy days we didn't travel so fast, but it was harder thinking up a good excuse for being late.

### SAFETY

Do you ever lose your temper at the wheel of your car? The census takers are not asking this question; Safety Engineers of Insurance Companies are, but you don't have to answer.

All sorts of accidents, the Safety Engineers say, are caused by the driver who, steady as a rock at all other times, is choleric, impatient, touchy as T.N.T., and mad as a hornet, when back of the wheel.

Bumpers are bent, fenders are folded and frames are twisted, they say, as a result of the collisions occurring everyday when the irascible gentleman described above lets himself go a little too much.

Here's how it happens. Our friend gets a late start driving to work in the morning. He gets out in the stream of traffic and first thing he knows some blankety blank driving a 1920 car is rolling along ahead of him at 10

miles per hour. He is holding back two or three cars, but their drivers seem satisfied with his deliberate middle of the road procedure.

Our friend puts up with it for awhile but his temper is beginning to rise. He steps on it, intending to pass them all. The deliberate man up ahead has approached a side road on the left and begins to turn without signaling. What to do? The stage is set for an accident. Perhaps it doesn't happen, but the stage is set and neither of the drivers is entirely to blame.

But you and I will meet drivers like the slow one who disregards the wishes of others who want to proceed more briskly. If we control our impatience and temper we will live longer anyway, besides saving fenders.

A total of 114 persons were killed in traffic accidents in North Carolina the first two months of 1940.

Demonstration farmers of Madison County are taking the lead in an active campaign to place better cattle in the county, says John S. Hollamon, assistant farm agent.

Ordinarily the United States can be expected to consume domestically and sell abroad about 2,450,000,000 bushels of corn, or about 19 bushels for every man, woman, and child in this country.

### THE AWFUL PRICE YOU PAY FOR BEING NERVOUS

Read These Important Facts!  
Quivering nerves can make you old, haggard, cranky—can make your life a nightmare of jealousy, self pity and "the blues."  
Often such nervousness is due to female functional disorders. So take famous Lydia E. Pinkham's Vegetable Compound to help calm your nerves and lessen functional irregularities. For over 60 years relieving Pinkham's Compound has helped tens of thousands of grandmothers, mothers and daughters "in time of need." Try it!
