**RECORD COMPLIMENTED**

The following extracts were taken from letters from members of the 1939 General Assembly, now in my files:

**Chairman House Finance Committee**—"It was a pleasure to serve with you and I formed a very warm personal friendship for you. You made an excellent representative and in my opinion you used excellent judgment in voting on the different questions that came up before the House. Your County should be proud of your record and no doubt they are."

**Chairman Education Committee**—"It was a pleasure to me to know you and to serve with you on the Committees of Finance and Education. Especially do I appreciate your service on the Committee of Education. Your cooperation with me I will always remember."

**Chairman Appropriations Committee**—"You represented your County most ably and your legislative record is of such a high commendable nature as to completely justify the continued confidence of your constituency."

**Speaker**—"You did a fine job representing your County and the State, and I congratulate you on your record."

Other Committees I served on were Roads, Election laws, Agriculture, Salaries and Fees, Printing, Institutions for the Deaf and Dumb.

Continued service gives more prestige and more opportunity for Results. That's why I am asking for a second term in the House.
