FARM PLANS SIGNED "CALL FOR COTTON BY 2891 GROWERS WHEN YOU BUY"-

A total of 2891 growers of Franklin County will cooperate with the 1940 Agricultural Conservation Program, E. Y. Floyd, AAA executive officer of N. C. State College, announced follow-ing receipt of signed Farm Plans signifying such intention. The Triple-A lists 2902 farms in this

tural Conservation program. Floyd expressed himself as highly pleased over the participation indicated in this county. Every farmer in the county was given an opportunity to sign a Farm Plan, on which he listed the

Farm Plan, on which he listed the soil building practices he intends to carry out. He received a copy of the Farm Plan which showed the type of practices in the pro-gram, and how much he could earn from each. The Plan also listed the individual grower's al-Besides bringing American con-sumers standout cotton values. he stated that the increased sales lotments for soil depleting crops, resulting from this Cotton Conwhich he must plant within to sumption Campaign will give im-portant aid to King Cotton's 12, earn payments.

Floyd said that in the State as 000,000 dependents in meeting a whole, Farm Plans were sign-ed by 223,104 out of the 236,546 their surplus emergency. A CARD OF THANKS

eligible farmers. This is an ap-proximate 94 percent "sign-up" and is a decided contrast with the 113,598 farms on which pay-

ments were earned in 1939. "A preliminary check of the Plans shows that more Farm farms will be operated under conservation methods than ever before." Floyd declared. "The approved practices, such as the application of lime and phosphate, seeding legumes and grasses,

greenmanure crops, and tree planting will have their greatest use in the State this year."

BUY COTTON GOODS

Raeford, N. C., May 8 .-Upchurch, Jr., President of the North Carolina Unit of the National Cotton Council and a well known cotton grower of this section, today endorsed National Cotton Week to be celebrated May
