

**TRUTH**

Today's popularity of Doan's Pills after many years of world-wide use, surely must be accepted as evidence of its superiority. And favorable public opinion supports the fact that the value of Doan's Pills is not only in the relief of the pain and urinary trouble, but in the fact that it cures the kidneys and restores the body to its normal condition.

These physicians, too, approve every word of advertising you read, the objective of which is only to recommend Doan's Pills as a good diuretic treatment for disorder of the kidney function and for relief of the pain and urinary trouble.

If more people were aware of how the kidneys must constantly remove waste that cannot stay in the blood without injury to health, there would be better understanding of why the whole body suffers when kidneys lag, and diuretic medicine would be more often employed.

Burning, scanty or too frequent urination sometimes warns of disturbed kidney function. You may suffer aching backache, persistent headache, attacks of dizziness, getting up nights, swelling of the ankles, or the eyes—feel weak, nervous, or tired.

Use Doan's Pills. It is better to rely on a medicine that has won world-wide acclaim than on something less favorably known. Ask your neighbor!
