RE-ELECT COOLEY TO CONGRESS

"HE HAS KEPT THE FAITH"

WITH ALL THE PEOPLE

During Harold Cooley's first term, he was elected a member of the great Committee on Agriculture, an honor coveted by literally scores of Congressmen from every part of the United States. He is the FIRST AND ONLY North Carolina Congressman ever to serve on this important Committee. As a member of this important Committee, he has labored unceasingly in the interest of the farmers of this District.

His platform is the platform of the Democratic Party, and he has sought to redeem its every pledge.

Cooley is the only member on the Committee of Agriculture in whose District Flue-Cured tobacco is grown.

TOBACCO FARMERS OF THIS DISTRICT KNOW OF HIS UNTIRING EFFORTS IN THEIR BEHALF.

As one who knows the hardships of a "Wage Earner," he has supported legislation in behalf of the workers of America, and his record has been approved and endorsed by practically every branch of organized labor in North Carolina.

He is a World War veteran and a member of the American Legion. As a member of Congress, he has advocated increased pensions for veterans, their widows, orphans and dependents.

He has worked for the passage of neutrality legislation and has vigorously opposed the adoption of any policy which would be calculated to lead our country into war. He is in favor of ADEQUATE NATIONAL DEFENSE.

He has supported legislation providing LARGER PENSIONS FOR AGED and dependent people and increased appropriations for the National Youth Administration.

He believes that the farmer homes of America should be given the opportunity to enjoy the pleasures and benefits of electric lights and power, and to this end has consistently supported the RURAL ELECTRIFICATION PROGRAM.

The grave problems of the hour call for TRAINED AND EXPERIENCED MEN, who understand the nature and importance of both national and international problems.

We commend to you Harold Cooley's outstanding achievements and his splendid record of service to all the people of the Fourth District and urge you to actively support his candidacy for re-election by the largest majority ever given in a Democratic Primary.

(Contributed by the friends of Congressman Cooley who appreciate his efforts in behalf of all the people of this District.)
