

U. D. C. To Hold Patriotic Rally at "Lost Colony," Saturday, July 27th

Manteo, N. C.—A Patriotic Rally will be held here by the North Carolina Division of the United Daughters of the Confederacy in connection with the 353rd anniversary celebration and the fourth season of Paul Green's drama of democracy, "The Lost Colony," July 27th, according to plans completed today by Mrs. Lewis E. Fisher, division president, and D. Bradford Pearing, president of the Roanoke Island Historical Association.

The Hon. R. O. Everett, of Durham, will deliver the main address of the day, with the formal program beginning at 11 o'clock Saturday morning. Music for the occasion will be furnished by the Lost Colony Chorus, composed of members of the celebrated Westminster Choir, under the direction of Theos Cronk. Highlight of the Rally will be a presentation of "The Lost Colony" that evening.

NICKEL-A-BALE WAR CHEST FOR COTTON ON WAY

Council President Calls for Universal Service in Battle for Increased Consumption Cotton firms and cotton farmers of Louisburg and surrounding area were called on today by President Oscar Johnston of the National Cotton Council for "100 per cent allegiance in cotton's total war for increased consumption."

In a message addressed to local producers throughout the county President Johnston declared that "The raw cotton industry is arming as never before in its history to smash down the blitzkrieg of substitutes, surplus, and foreign competition."

The message came simultaneously with the National Cotton Council's announcement of a "universal service" plan to provide funds with which to carry on the fight during the coming year. The new plan, to go into effect August 1, calls for a defense fund of five cents on every bale of lint and three cents on every ton of seed, mobilized with the help of each of the five primary raw cotton interests.

Under the new plan, arrangements have been perfected enabling the producer to make his nickel-a-bale contribution at the first point of sale, either to the cotton merchant, large or small, or the ginner or warehouseman acting as merchant.

Similarly, contributions on seed which are made by the ginner and crusher, are assembled and remitted to the war chest by the oil mills. "For fifty years we cotton farmers have been talking about an organization like the National Cotton Council to defend our markets and find new ones through judicious advertising, intelligent research, and organized opposition to restrictive legislation. At last we have it, and in two years, equipped with modern weapons, it has accomplished more than any of us thought was possible in so short a period."

"Domestic consumption has been brought back virtually to the all-time high, with every indication that a new record can be set in 1941. Plans are ready for a vigorous attack on the acute problem of foreign trade. Council scientists are on the trail of new uses. A united cotton industry has gone to war."

A total of 19,500 persons were killed in traffic accidents at night last year and 13,000 in daytime traffic accidents.
