

To Launch Campaign Sept. 21

Raleigh, Sept. 11.—With every promise that by far the largest crowd of the 1940 campaign will be there, Harnett County Democrats today announced former Governor and former United States Senator Cameron Morrison as the head line speaker for the big rally which is to open the party campaign in Eastern North Carolina at Lillington on September 21.

"The greatest interest has already been manifested in the return to the political arena of this great North Carolinian and incomparable political speaker," Arch T. Allen, secretary of the Democratic State Executive committee, said here. "There are still hundreds of North Carolinians who remember this older statesman as the militant foe of our common enemy today and there are thousands who know his great reputation as an orator who will want to see and hear him for the first time."

Allen explained that the former party stalwart, whose 1921-25 administration of State affairs grows more impressive with the years, had indicated a desire to return to the hustings in view of his strong championship of President Roosevelt. He was also one of the strong supporters of J. Melville Broughton in the last primary campaign and the gubernatorial candidate today expressed "the greatest possible delight" at Mr. Morrison's acceptance of the invitation to open the campaign in the East.

It will probably be the first time in political history when a former chief executive, still a party celebrity, will top the program of speakers which is to include both United States Senators from North Carolina, the present Governor, Clyde R. Hoey, and the Democratic standard bearer and party leader. It is to be, as Neil McK. Salmon, Harnett chairman, expressed it: "A veritable love feast—just look at the roster, Cam Morrison, Josiah William Bailey, Clyde Roark Hoey, J. Melville Broughton, Congressman J. Bayard Clark, the picturesque 'Bob' Reynolds and a host of others."

Salmon said the big rally would start at Lillington at 2 o'clock Saturday afternoon, September

21, and last for three hours. A typical Eastern Carolina barbecue with the trimmings will bring the Democratic red letter day to a close.

In addition to the several distinguished speakers, Allen said other party officials, Emery B. Denny, chairman, and Mrs. P. P. McCain, vice chairman, would attend. Ralph W. Gardner, son of former Governor Gardner, who is expected to be elected president of North Carolina Young Democrats here Saturday, will head his group at the rally.

Legislative candidates and party officials in three Congressional districts, the third, fourth and seventh, and out of the eighth from the counties of Moore, Lee and Hoke, have been invited.

BARBECUE SUPPER

Supt. and Mrs. E. R. Richardson of the Franklin County Home entertained quite a large number of friends at a barbecue supper at the County Home on Thursday afternoon of last week at 4:30 o'clock. A large number were present in spite of the heavy rain and enjoyed a bountiful repast of delicious cue and many other good eats.

Because of the rain supper had to be served in the home. Many complimentary addresses were made telling of the splendid manner in which the home was kept and the untiring efforts of the Superintendent and his good wife in giving the best of attention to the many inmates.

The occasion was a success and much enjoyed.

Hard On Tax Dodgers

Raleigh, Sept. 11.—Judge R. Hunt Parker yesterday decisively cut into the 235 cases of persons indicted by the Wake grand jury for failure to list personal and poll taxes for 1940.

For the first time in two decades, defendants appeared in court under instant capias orders issued by the judge and stayed there until they paid taxes and costs of court.

Judge Parker ordered the collection not only of 1940 taxes but also of back taxes, not only county but city taxes as well.

Sends For Collector
In the afternoon, he discovered the city had no representative present to collect its taxes and told the clerk to inform the city tax collector to appear or instant subpoena would be issued for him.

All told yesterday, 27 tax defendants paid \$432.40 in 1940 and back taxes to the county while 26 defendants, at \$23.85 each for court costs, paid \$620.10, less solicitor's fee of \$8 in one case.

City tax men, arriving late in the day, collected only \$49.39. Judge Parker, however, ordered the return to court of those previously dismissed who still owe city taxes.

Only when the defendants produced "a clean slate," tax receipts and a receipt for court costs, were they allowed to stir. One defendant was released from jail at around 5:30 p.m. when relatives rushed the necessary funds to his rescue.

Public Employes Delinquent
Several teachers and at least one State employe were among those who failed to list taxes and these Judge Parker reprimanded, reminding them that every dollar of their salaries is collected from

taxes. He told one such defendant that "if everyone had taken your attitude, you wouldn't have gotten enough salary to pay for postage stamps."

Franklin County non tax listers and payers better look out.

Plans are now being worked out to finance the purchase of milk cows in Bladen County's drive for an expanded dairy program, says J. R. Powell, farm agent of the State College Extension Service.

SCHOOLS OPEN IN BUNN DISTRICT

Principals and teachers of the entire Bunn district gathered for their initial meeting September 3, at 9:30, in the auditorium of the Bunn High School.

M. T. Lamm, Supervising Principal of the Bunn Schools, opened the meeting by a hearty welcome to new and old teachers, after which Mr. Brown, of the Harris School, presented an inspiring devotional thought.

The highlight of the meeting was focused on two speakers, Mr. C. T. Moody, a local board member, and Dr. A. Paul Bagby, pastor of the Baptist Church, Louisburg. Mr. Moody challenged the old and new instructors to manifest a spirit of unity, cooperation and loyalty, while Dr. Bagby presented the possibilities of service, of an unselfish worker in our

democratic world. The afternoon was devoted to meetings of the local faculty groups at the various schools of the district.

The faculty and students of the Bunn School had as their guest speaker at the formal opening on September 4, the Rev. Wayne Oates, of Wake Forest and newly elected pastor of the Bunn Baptist Church. Mr. Oates presented a timely and fitting line of thought on "Wake Up and Live." "Every man," declared the speaker, "must wake up before he can really live." He insisted that such an awakening must embrace a mental and spiritual rebirth in order to attain the "Abundant Life," which was made possible by Christ, who was himself a teacher.

Today's popularity of Doan's Pills, after many years of world-wide use, surely must be accepted as evidence of satisfactory results. And favorable public opinion supports that of the able physicians who test the value of Doan's under exacting laboratory conditions.

These physicians, too, approve every word of advertising you read, the objective of which is only to recommend Doan's Pills as a good diuretic treatment for disorder of the kidney function and for relief of the pain and worry it causes.

If more people were aware of how the kidneys must constantly remove waste that cannot stay in the blood without injury to health, there would be better understanding of why the whole body suffers when kidneys are not doing their job. Doan's Pills would be more often employed.

Burning, stony or too frequent urination sometimes warn of disturbed kidney function. You may suffer from backache, persistent headache, swelling of ankles, getting up at night, swelling, pain under the eyes—fast work, nervous, all played out.

Doan's Pills. It is better to rely on a medicine that has won world-wide acclaim than on one that is less favorably known. Ask your neighbor!
