How One Woman Lost 20 Pounds of Fat

Lost Her Prominent Hips
Lost Her Double Chin
Lost Her Sluggishness

Gained a More Shapely Figure and the Increase in Physical Vigor and Vivaciousness Which So Often Comes With Excess Fat Reduction.

Thousands of women are getting fat and losing their appeal just because they do not know what to do. Why not be smart -- do what thousands of women have done to get off pounds of unwanted fat. Take a half teaspoonful of Kruschen in a glass of hot water first thing every morning to gently activate liver, bowels and kidneys--cut down your caloric intake--eat wisely and satisfyingly--there need never be a hungry moment!

Keep this plan up for 30 days. Then weigh yourself and see if you haven't lost pounds of ugly fat. Just see if this doesn't prove to be the surprise of your life and make you feel like shouting the good news to other fat people. And best of all a jar of Kruschen that will last you for 4 weeks costs but little. If not joyfully satisfied--money back.

WRECK VICTIM IMPROVES

Miss Sara Pardo, of Havana and Chapel Hill, was released from Rex Hospital Tuesday, after being confined there for three weeks to receive treatment for injuries she received in an automobile accident on September 17. Miss Pardo received a severe cut under the chin and fractures of the jaw and ribs. The car in which she was riding was struck by a transfer truck, and then plunged into a 4 foot ditch and onto an embankment.

The other three occupants of the car, Miss Eva Wilder, and two students from State, Irving Hetherington and Robert E. Pomeranz, suffered injuries less serious.

HEALTH DEPARTMENT

Dr. R. F. Yarborough,
County Health Officer

At a meeting of Health Officers called by Dr. Reynolds, Health Officer of North Carolina, attended by County Health Officers and addressed by Governor Hoey the importance of a Wasserman test for syphilis was stressed. Gov. Hoey emphasized the importance of this test bearing in mind that the mass accumulation of men at this time will mean greater risk not only for the men thus assembled but for the citizen population as well, and this is all the more reason why this test should be made. Any registrant whose test shows a venereal disease will more than apt keep him out of the draft. In the last war the army concentrated all venereal patients and after the Armistice all venereal patients were kept in camp until cured.

Many people claim they are ignorant of ever having had syphilis. The only positive test that they do not have or have not had syphilis in a blood test. This test is simple and has no bad after effects. Any registrant who desires, the test can have same performed by a physician of the registrants choice, or if he will

AMERICAN BOY IS COMPANION TO THOUSANDS

Hundreds of thousands of boys and young men read THE AMERICAN BOY Magazine every month and consider it more as a living companion than as a magazine.

"It's as much a buddy to me as my neighborhood chum," writes one high school senior. "THE AMERICAN BOY seems to understand a boy's problems and considers them in such a sympathetic and helpful way. It gives advice and entertaining reading on every subject in which a young fellow is interested. It is particularly helpful in sports. I made our school basketball team because of playing tips I read in THE AMERICAN BOY."

Many famous athletes in all sports credit much of their success to helpful suggestions received from sports articles carried in THE AMERICAN BOY Magazine. Virtually every issue offers advice from a famous coach or player. Football, basketball, track tennis, in fact every major sport is covered in fiction and fact articles.

Teachers, librarians, parents and leaders of boys' clubs also recommend THE AMERICAN BOY enthusiastically. They have found that as a general rule regular readers of THE AMERICAN BOY advance more rapidly and develop more worthwhile characteristics than do boys who do not read it.

Trained writers and trists, famous coaches and athletes, explorers, scientists and men successful in business and industry join with an experienced staff to produce in THE AMERICAN BOY, the sort of reading matter boys like best.

THE AMERICAN BOY sells on most newsstands at 25¢ a copy. Subscription prices are \$2.00 for one year or \$3.50 for three years. Foreign and Canadian rates 50¢ a year extra. To subscribe simply send your name, address and remittance direct to THE AMERICAN BOY, 749 Second Street, Detroit, Michigan. 9-20-40

come to the Franklin County Health Office the test will be made there at no cost to the registrant.

Experiments carried on at the Illinois Experiment Station have disproved an old belief among farmers that soybean oil is too laxative for fattening cattle.
