\$72,000 TOWN OF LOUISBURG, NORTH CAROLINA BONDS

Sealed bids will be received until 11 o'clock, A. M., October 29, 1940, by the undersigned at its office in the City of Raleigh, N. C., for the following bonds of the Town of Louisburg, North Carolina, dated November 1, 1940, maturing as follows, without option of prior payment:

\$48,000 Refunding Water, Sewer and Light Bonds, maturing annually, May 1, \$3,000 1945 to 1950 and \$5,000 1951 to 1956, all inclusive.

\$12,000 General Refunding Bonds, maturing annually, May 1, \$2,000 1951 to 1956, both inclusive.

\$12,000 Refunding Electric Light Bonds, maturing annually, May 1, \$2,000 1951 to 1956, both inclusive.

Denomination \$1,000; principal and semi-annual interest (M and N 1), payable in New York City in legal tender; general obligations; unlimited tax; coupon bonds registerable as to principal alone; delivery on or about November 14, 1940, at place of purchaser's choice. There will be no auction.

A separate bid for each issue (not less than par and accrued interest) is required. Bidders are requested to name the interest rate or rates, not exceeding 6% in multiples of 1/4 of 1%; each bid may name one rate for part of the bonds of any issue (having the earliest maturities) and another rate for the balance, but no bid may name more than two rates for any issue, and each bidder must specify in his bid the amount of the bonds of each rate. The bonds will be awarded to the bidder offering to purchase the bonds at the lowest interest cost to the Town, such cost to be determined by deducting the total amount of the premium bid from the aggregate amount of interest upon all of the bonds until their respective maturities.

Bids must be on a form to be furnished with additional information by the undersigned, enclosed in a sealed envelope marked "Proposal for Bonds," and must be accompanied by a certified check upon an incorporated bank or trust company, payable unconditionally to the order of the State Treasurer of North Carolina for \$1,440.

The approving opinion of Messrs. Lich and Mitchell, New York City, will be furnished the purchaser.

The right to reject all bids is reserved.

How One Woman Lost 20 Pounds of FAT

Lost Her Prominent Hips
Lost Her Double Chin
Lost Her Sluggishness

Gained a More Shapely Figure and the Increase in Physical Vigor and Vivaciousness Which So Often Comes With Excess Fat Reduction.

Thousands of women are getting fat and losing their appeal just because they do not know what to do. Why not be smart — do what thousands of women have done to get off pounds of unwanted fat. Take a half teaspoonful of Kruschen in a glass of hot water first thing every morning to gently activate liver, bowels and kidneys — cut down your caloric intake — eat wisely and satisfyingly — there need never be a hungry moment!

Keep this plan up for 30 days. Then weigh yourself and see if you haven't lost pounds of ugly fat. Just see if this doesn't prove to be the surprise of your life and make you feel like shouting the good news to other fat people. And best of all a jar of Kruschen that will last you for 4 weeks costs but little. If not joyfully satisfied — money back.

Timely Farm Questions

Answered at State College

QUESTION: What price is the new milk plant at Statesville paying for fluid milk?

ANSWER: Extension dairyman, John Arey, says this plant is paying \$1.60 per hundred pounds for 4 per cent milk with a premium on milk of higher butterfat. Right now, 2,500 farms are supplying this milk plant with about 80,000 pounds of milk a day and are finding this market a good substitute for cash crops.

QUESTION: Is barley a good feed for hogs?

ANSWER: Yes. Pound for pound it is not as efficient as corn but barley does produce pork of excellent quality. It does not pay to grind corn for hogs but it does pay to grind barley and the grinding increases its feed value by 17 per cent. If barley is substituted for corn as hog feed, Extension swine specialist Ellis Vestal recommends that 120 pounds of the whole barley replace 100 pounds of shelled corn. Because of the usual droughts in summer, it may be well to plant some barley this fall for hog feed next year.

QUESTION: What is a good fall and winter grazing crop for my poultry flock?

ANSWER: Roy Dearstyne, head poultryman, says crimson clover and any of the small grains are fine but that Italian rye grass is one of the best. The birds on the State College poultry farm seem to prefer rye grass to even crimson clover or alfalfa when all three are available. The grass furnished green grazing during the entire winter for the past two years except during extremely cold weather when the birds had to be confined. An acre of rye grass will furnish grazing for 100 birds but it is best to divide the acre into two parts and alternate the grazing to allow time for re-growth.

MINERAL MAXIM

Surveys show that one biscuit made with calcium phosphate baking powder has as much mineral value as a half glass of milk, two eggs, or seven lamb chops! That doesn't mean that man should live by biscuits alone but it ought to show the value of the smallest ingredient whether in biscuits and breads or in the hundreds of new uses now developed for main dishes, desserts and even soups!

Approximately 75% of all life insurance policyholders' deaths in 1939 were under policies owned for more than 10 years. Thirty-nine percent of life insurance death claims were on policies which had been in force more than 20 years, while 13% had been in force more than 30 years.

AN ORDINANCE AUTHORIZING \$72,000 REFUNDING BONDS

BE IT ORDAINED by the Board of Commissioners of the Town of Louisburg:

Section 1. That the Town of Louisburg issue its bonds, pursuant to The Municipal Finance Act, 1921, as amended, in an amount not exceeding \$72,000 for the purpose of refunding a like amount of the principal of valid subsisting bonded indebtedness of the Town of Louisburg, which indebtedness was incurred for necessary expenses of said Town and is evidenced by the following bonds, all dated June 1, 1935, maturing June 1, 1955 and redeemable on any interest payment date prior to maturity:

\$48,000 Refunding Water, Sewer and Light Bonds
\$12,000 General Refunding Bonds
\$12,000 Refunding Electric Light Bonds.

Section 2. That a tax sufficient to pay the principal and interest of the refunding bonds herein authorized shall be annually levied and collected.

Section 3. That a statement of the debt of the Town has been filed with the Clerk and is open to public inspection.

Section 4. That the holders of said refunding bonds herein authorized shall be subrogated to all the rights and powers of the holders of the indebtedness refunded thereby.

Section 5. That this ordinance shall take effect upon its passage and shall not be submitted to the voters.

The foregoing ordinance was passed on the 9th day of October, 1940, and was first published on the 11th day of October, 1940.

Any action or proceeding questioning the validity of said ordinance must be commenced within thirty days after its first publication.

T. K. STOCKARD,
Town Clerk.

That Nagging Backache

May Warn of Disordered Kidney Action

Modern life with its hurry and worry, irregular habits, improper eating and drinking — its risk of exposure and infection — throws heavy strains on the work of the kidneys. They are apt to become over-taxed and fail to filter excess acid and other impurities from the life-giving blood.

You may suffer nagging backache, headache, dizziness, getting up at night, leg pains, swelling — feel constantly tired, nervous, all worn out. Other signs of kidney or bladder disorder are sometimes burning, scanty or too frequent urination.

Try Doan's Pills. Doan's help the kidneys to pass off harmful excess body waste. They have had more than half a century of public approval. Are recommended by grateful users everywhere. Ask your neighbor!
