**This Week's Big 5
 Schedule**

(By E. F. Thomas)

Carolina spoiled State's Home-
 coming. Tulane wrecked Carolina's
 celebration, and Duke
 threw a bad apple in Wake For-
 est's barrel. Now, will the Home-
 coming jinx hold true this week
 when the Blue Devils, last of the
 major eleven in the state, go on
 parade along with Georgia Tech
 at Durham Saturday?

Wallace Wade's damaging Blue
 Devils have been doing all right
 for themselves, in spite of what
 happened to them in Knoxville.
 Carolina tackles Fordham in
 New York City, and the Tar Heels
 will be fighting to protect one of
 their proudest boasts—the enviable
 record of never having lost in the
 metropolises.

Davidson entertains Centre Col-
 lege at Davidson, and Wake For-
 est plays George Washington at
 Washington City.

State College takes on Furman
 with a night game at Raleigh,
 giving the fans of this section
 another Saturday double-header.
 My pick this week:

Duke over Georgia Tech.
 Fordham over Carolina.
 State over Furman.
 Davidson over Centre.
 Wake Forest over George
 Washington.

ADVISORY COUNCIL

The Advisory Council of the
 Franklin County Unit of North
 Carolina Education has been or-
 ganized with the following offi-
 cers:

Mr. W. R. Mills, Advisor.
 Miss Loulia Jarman, President.
 Mr. C. C. Brown, Vice-President

The delegates from each coun-
 ty school is as follows:

Mills School, Miss Katherine
 Rogers; Franklinton, Mr. G. B.
 Harris; Epsom, Mr. T. J. Jessup;
 Gold Sand, Mr. D. J. Dark; Wood,
 Miss Maggie Neal; Hickory Rock,
 Mr. S. R. Murray; Edward Best,
 Mr. C. Roy Pruitt; Justice, Mrs.
 Clara Moore; Bunn, Mr. M. T.
 Lamm; Pilot, Miss Myrtle Etta
 Gay; Pearce, Miss Ollie Wester;
 Harris, Mrs. Pattie Lamm; Jus-
 tice and Youngville, Mr. F. C.
 Winston.

At the first meeting, held in
 October, the president of the
 Council pointed out the objec-
 tives for the County unit during
 the year. Discussions followed as
 to how the Council could guide
 the County unit in planning a
 program which would help our
 schools in becoming a unifying
 force in the preservation of the
 "American Way" of life. The
 interest of the local unit repre-
 sents a well-rounded program of
 professional service, professional
 growth and wholesome pride in
 achievement. Definite phases in
 planning the year's work which
 were adopted are: The develop-
 ment of a program adjusted to
 the present day needs of boys and
 girls; secondly, the public rela-
 tion's program; thirdly, the pro-
 fessional relation's program;
 fourthly, the legislative program
 and fifthly, The program of
 teacher welfare.

"It seems best to assume as our
 guiding philosophy that the
 schools are in reality the pub-
 lic's schools, rather than merely
 public schools. The schools and
 all other public service institu-
 tions in the present world crisis
 face an emergency. There is not
 only an emergency, but it is also
 a period of transition which calls
 for wisdom, leadership, patience
 and fortitude of the highest or-
 der. School people generally and
 the public at large, when prop-
 erly informed maintain a sympa-
 thetic attitude toward their
 school."

The second County meeting will
 be an "Observation" meeting in
 Franklinton School system on
 Wednesday, November 6th.

**Home Demonstration Club Women
 and 4-H Club Members Hold
 Federation Meeting**

In the new Armory auditorium
 on Oct. 26 the Federation women
 and 4-H club members climaxed
 the year's work with an Achieve-
 ment Day.

The morning program was devo-
 ted to reports of the work of
 the year in the form of skits, ex-

hibits and oral reports. Mitch-
 ner's club which had a course in
 Better Speech put on a skit por-
 traying good English. Clifton club
 portrayed nicely an emergency
 shelf while Centerville club dis-
 played for the group the canned
 and dried foods needed for one
 person during the year. Epsom
 club exhibited a table properly
 set with food for a holiday meal
 using a color scheme of green and
 red. The decoration for the table
 which consisted of a tilted
 fruit bowl with various fruits
 pouring from it and an old fash-
 ioned green lamp was placed at
 one end of the table. The differ-
 ent steps of constructing a mat-
 tress were shown and explained
 by Isadora Pearce. At lunch time
 the women went to the Agricul-
 tural building for lunch which
 was served by Youngsville club.

The afternoon program was of
 a recreational nature with songs,
 plays and games. Mrs. Gill had
 charge of an informal song ser-
 vice. Cedar Rock Woman's club
 gave a folk game as did Edward
 Best 4-H club boys and girls.
 Seven Paths club gave a play and
 Margaret Stallings very ably con-
 ducted games for the whole
 group.

Despite dry weather during the
 early summer, lespedeza and other
 hay crops in Wilson County
 are returning good yields, says
 J. A. Marsh, assistant farm agent
 of the State College Extension
 Service.

HEALTH DEPARTMENT

Dr. R. F. Yarborough,
 County Health Officer

Diphtheria

Again I wish to call the atten-
 tion of parents to the necessity
 of having their small children
 vaccinated against diphtheria. Ac-
 cording to official figures record-
 ed from Washington, D. C., by
 Dr. Carl V. Reynolds, State
 Health Officer, reports that North
 Carolina led the entire United
 States in the number of cases of
 diphtheria reported during the
 week of September 28th.

For North Carolina with its
 1940 population of 3,563,174
 there were 46 cases reported as
 compared with 14 cases for New
 York with its population of 13,-
 379,662. Cases reported from sur-
 rounding Southern States, Vir-
 ginia 10, South Carolina 8, Georgia
 18, and Tennessee 10. Do the pa-
 rents of North Carolina care less
 for the protection of their child-
 ren than parents of other States?
 I cannot believe it. It must be
 they do not realize the protection
 inoculation against diphtheria
 confers on their children. The last
 legislature passed a law requiring
 all parents to have their children
 inoculated against diphtheria at
 six months of age.

The Franklin County Health
 Department each month notifies
 all parents of children becoming
 six months of age, of the impor-

tance of vaccination against dip-
 theria and quotes the State Law.
 Parents lets observe this law and
 stamp diphtheria out of Franklin
 County.

**METHODIST WOMEN WILL
 OBSERVE WEEK OF
 PRAYER**

The women of the Louisburg
 Methodist Church will observe the
 Annual Week of Prayer for Mis-
 sions by services on Monday of
 next week, November 4th.

The first meeting will be in the
 home of Mrs. S. M. Washington,
 at 3:30 o'clock, in connection
 with the regular monthly meet-
 ing of the afternoon circle of the
 Woman's Society of Christian
 Service. The second session will
 be that evening, at 8 o'clock, at
 the home of Miss Helen Smith-
 wick, as a preliminary to the reg-
 ular meeting of the Business and
 Professional Women's Circle. All
 women of the church are invited
 to participate in both of these
 special programs, and will be al-
 lowed to leave before the business
 session in each case, if they wish
 to do so.

Scarritt College for Christian
 workers will be the recipient of
 the love gifts and freewill offer-
 ing this year.

APPRECIATION

My genuine appreciation is ex-
 tended everyone whose kindness
 was so generously shown me and
 my two little girls during my re-
 cent prolonged illness and conva-
 lescence; and I know of no better
 method of reaching my many,
 many friends than this. Of course,
 I hope to be able to see you in
 person, also; and will be happy
 to have you call to see me at my
 mother's.

Crichton Pearce Cuthrell,
 (Mrs. W. L. Cuthrell.)

First Scout (looking at a mum-
 my in a museum)—I wonder what
 this sign with the words "1187
 B. C." means?

Second Scout—I'll bet that's
 the license number of the car that
 hit him.

Nowadays there are few run-
 away horses but we still have run-
 away tongues.
