Club Women Get Meat Canned at Canning Demonstration. The club women of Franklin County cooperated with Mr. D. E. Hall of the Burpee Can Sealer Company in putting on a demonstration in the Armory Monday, Nov. 4 on canning meat in tin. Mrs. Morris Person, Mrs. C. C. Holmes and Mrs. W. J. Cooke furnished chicken for the demonstration and Mrs. W. A. Eaton was responsible for a veal which Mr. Hall and the women canned. In discussing canning meat in tin, Mr. Hall says the important thing to remember is to have the meat hot in the cans when they are sealed. Several women brought their cookers and Mr. Hall tested the pressure gauges on them. Some he was able to remedy, others had to have more parts which most of the women ordered. Now is an excellent time to check on pressure cookers. It will soon be meat canning season and meat is not absolutely safe unless cooked in a pressure cooker after being canned, whether in glass or tin.

During August, \$4,500,000 worth of blue surplus food stamps were distributed through the Food Stamp Plan in the 125 areas throughout the United States where the plan is in operation.
