## LOUISBURG BAPTIST CHURCH

Dr. H. A. Bagby, brother of the pastor, spoke Sunday morning on "The Irrepressible Conflict" using as his text Gen. 3:15, "And I will put enmity between thee and the woman and between thy seed and her seed; it shall bruise thy head, and thou shalt bruise his heel." Christians on this side and on the other have been contestants in this great fight. The spiritual battle is much more difficult than any material battle. Victory, triumph and glory will be on God's side however dark may be the picture at times.

Truth and righteousness are stronger than evil; glory and christian virtue are the mightiest and strongest forces in this world. God is with us—the minister asserted in the course of his message. We press on because we are fighting under the banner of the cross and we are thus not fighting a losing cause.

Dr. A. Paul Bagby, pastor, will speak on "Stewardship and Tithing" at 11 o'clock and on "The Undesired and the Undesirable" at 7:30.

## FIRST QUESTIONNAIRES

## Two Hurt In Wreck Today

Herbert May and Graham Griffin, both said to be of Durham, are being treated at Maria Parham hospital for injuries sustained early this morning in a collision between an apple truck and an automobile driven by Griffin.

Griffin, said to be a brother of E. F. Griffin, of Louisburg, was unconscious when brought to the hospital in an ambulance, and his right arm is broken. He also sustained head injuries.

May's left arm was injured, and he sustained some cuts. An unidentified Negro, riding in the truck with May, was not injured.—Henderson Dispatch.

The regular November term of Franklin Civil Court convened in Louisburg on Tuesday morning with Hon. Hubert E. Olive, of Lexington, presiding. This is a two weeks term and many cases are on the docket, but as all Civil Courts are slow in action it is not expected the docket will be cleared.

This is Judge Olive's first appearance in Louisburg and is being well taken. He is fully capable of and is conducting his court in a smooth painstaking and business way, and is interested in fair play on each side.

The docket was taken up immediately upon convening and the following dispositions have been made:

Mrs. Mary Alice Pierce Vaida was granted a divorce from James Vaida, Jr.

Rufus Y. Gupton was granted a divorce from Ophelia Thompson Gupton.

Neppie Hendricks was granted a divorce from P. R. Hendricks.

The case of Roy Moss against E. F. Reavis was ordered off the docket.

The case of Dr. J. O. Newell vs G. D. Fuller and Robert Alston wherein Dr. Newell is suing for damages sustained in an automobile accident about two years ago. In this case Dr. Newell is represented by Gholson & Gholson, of Henderson, and Yarborough & Yarborough, and the defendants, Fuller and Alston, are represented by Thomas W. Ruffin, of Raleigh, and Sen. W. L. Lumpkin. Argument was being made as our report closed at noon.

## Three Explosions

One a Powder Plant Engaged in Filling Defense Orders

Within a space of 50 minutes Wednesday, the powder plants—one engaged in filling defense orders—and a factory manufacturing railway torpedo signals were torn by explosions which killed at least thirteen persons.

An unidentified number were injured in the explosions, one in western Pennsylvania and one in eastern Pennsylvania and a third on the New York harbor shoreline of New Jersey.

Federal Bureau of Investigation authorities at Washington immediately launched an investigation into the blasts.

First of the blasts—at 8:10 A. M. (EST)—killed three men, when 1,000 pounds of dynamite exploded at the Burton Powder Works of the American Cyanamid Corp. in the western Pennsylvania village of Edinburg, three miles from Newcastles.

Plant Levelled The second—at 8:30 A. M.—levelled the plant of the United Railway Signal Co. at Woodbridge, N. J. Seven persons were killed, and many hurt.

The explosion left only half of one building out of a group of fifteen standing, and its force shook the populous area, smashing windows as far as seventeen miles away. A number of those injured were in neighborhood homes, or business houses.

Twenty-eight minutes after the Woodbridge blast, an explosion wrecked a small building of the Trojan Powder Co. plant, six miles northwest of Allentown, Pa., killing three men.

An official of the firm described the blast as "an unfortunate accident." The company held defense contracts totaling at least \$202,150.

The victims were in the building used in manufacturing detonators for commercial work, when the explosion came.
