Louisburg College Items

On Wednesday morning, Dec. 4, the Metropolitan Trio of New York gave a musical program in the college chapel. This program was of a very high order and the execution showed that the artists were of the first rank. Those giving the concert were Mack Walker, pianist, Stanley Craft, Violinist, and David Pratt, Cellist. The concert manager, Willard Matthews, was also with the musicians.

For an hour and a half, these musicians gave numbers from Mozart, Frank Bridge, Tchaikovsky, Pierre, Saint Saens, Brahms, Mendelssohn, and others that enraptured the hearers, and enabled them to bathe their souls in the sea of divine harmonies. It is very seldom that a finer concert is given at any college.

There are to be three other concert numbers during the year. Those who miss them will lose a great opportunity. This program was the second of the series; the first being a lecture by Dr. A. C. Howell, Professor of English and Biblical literature at the University of North Carolina. The subject of Dr. Howell's address was "The Bible in The Stream of Life."

The Gamma Upsilon Chapter of Phi Theta Kappa gave its annual banquet on the evening of November 26, 1940. The fraternity held its banquet at the home of Mrs. G. M. Beam and it was held in honor of the new members of the fraternity. There were twenty present at the banquet and all enjoyed a splendid time. The invited guests were the following honorary members of the fraternity: Dr. and Mrs. Walter Patten, Prof. G. M. Oliver, Dean of Men of the College, Miss Lula May Stipe, Dean of Women of the College, Mrs. T. C. Amick, Prof. Byerly, and several other invited guests. The following program was rendered:

Welcome, Miss Catherine Gillis, President of the Chapter and Toastmistress.

Toast to New Members, Miss May Davis.

Response, Miss Doris Rhodes.

Toast to Honorary Members, Miss Mildred Carter.

Response, Miss Lula May Stipe.

Reading, Miss Catherine Gillis.

Solo, Bells of the Sea, Mr. Arthur Craig, accompanied by Prof. Byerly.

The banquet and program were quite a success. A second banquet will be held in the spring.

On Wednesday evening, November 27, Professor and Mrs. V. R. Kilby entertained at a dinner party at the home of Mrs. Beam. The party was in honor of Mrs. Kilby's mother and father. Mr. and Mrs. Jesse Lewis, of Troy, Ohio, Mr. and Mrs. Lewis were enroute to West Palm Beach, Florida, where they will spend the winter. The guests for the evening were: Dr. and Mrs. Walter Patten, Dr. and Mrs. T. C. Amick, Prof. and Mrs. I. D. Moon, Mr. and Mrs. Frank Cupepper, the host and the hostess, and the honorees.

How One Woman Lost 20 Pounds of FAT

Lost Her Prominent Hips
Lost Her Double Chin
Lost Her Sluggishness

Gained a More Shapely Figure and the Increase in Physical Vigor and Vivaciousness Which So Often Comes With Excess Fat Reduction

Thousands of women are getting fat and losing their appeal just because they do not know what to do.

Why not be smart — do what thousands of women have done to get off pounds of unwanted fat. Take a half teaspoonful of Kruschen in a glass of hot water first thing every morning to gently activate liver, bowels and kidneys—cut down your caloric intake—eat wisely and satisfyingly—there need never be a hungry moment!

Keep this plan up for 30 days. Then weigh yourself and see if you haven't lost pounds of ugly fat. Just see if this doesn't prove to be the surprise of your life and make you feel like shouting the good news to other fat people. And best of all a jar of Kruschen that will last you for 4 weeks costs but little. If not joyfully satisfied—money back.

With the organization of a club in Bragtown School, every rural school in Durham County now has an active 4-H Club, reports J. A. Sutton, assistant farm agent.

There should be more optimism and less pessimism and it has been our observation that very few people injure their eyes from looking on the bright side of life.
