TURN COUPONS INTO DOLLARS!

Thousands of homes, rich and poor, in every section of the country, save coupons from soap and other grocery commodities. These coupons are used to obtain premiums — household articles, useful gifts, and a great variety of things for young and old.

Now a new use has been found for these coupons. They can be converted into cash for the benefit of religious, fraternal and charitable institutions.

Many churches, clubs and other groups are taking advantage of this opportunity to add to cash income. Substantial sums of money can be obtained for the coupons pile up quickly since they come with such popular every-day brands as Octagon Soap Products, Health Club Baking Powder, Ballards Obelisk Flour, and other articles.

The regular rate allowed for these coupons is \$4.00 for each 1,000 and an extra inducement for the balance of this year is now being offered in the form of a bonus certificate worth 250 coupons. This certificate can be used as a "nest egg" to start a coupon collection and will be sent to any church upon request.

The certificate is redeemable in cash, if a minimum of 2,000 coupons is gathered by December 31. Any organized group, wishing to have full details of this simple, effective money-raising plan, is invited to write to Premium Department, Church Plan Division, Jersey City, N. J.
