

LOCAL HAPPENINGS

—Today is Good Friday.
 —Spring weather has come at last.
 —Much gardening is being done.
 —Measles are very prevalent in Franklin County.
 —Monday is Easter Monday. All the stores in Louisburg will be closed.
 —Next Monday Franklin Superior Court will convene. This is a criminal term.
 —Many picnics will no doubt be enjoyed by Franklin County people the coming week-end.
 —The A. B. C. Stores at Louisburg and Franklinton will be closed on Monday, in observance of Easter.
 —Mrs. W. T. Person has resigned her position with the Leggett Department Store and has accepted a position with Fox's Department Store.
 —Principal W. O. Reed informs the TIMES that Gold Sand and Wood Schools closed Tuesday on account of Measles. These schools are expected to reopen Tuesday, April 15th.
 —Help to build up your County by doing your trading at Franklin County stores. You will get better values or you will be close enough to your merchants to "cuss" them for not giving you what you expected.

LOUISBURG GARDEN CLUB MEETING

The April meeting of the Louisburg Garden Club was held on Thursday of last week at the Mills High School. In the attractive Home Economics Department of Miss Rogers. An added feature of interest and beauty was an arrangement of spring flowers in yellow and white with pottery of the same colors, placed before a large mirror, which the President, Mrs. E. S. Ford, had brought to the meeting.
 The chief topic of interest discussed was the Game Tournament which the Club will hold at the Armory on Friday evening, April 18th. Each member present agreed to be responsible for one table, and committee chairman were appointed. Mrs. James Malone agreed to plan for children that they might have an enjoyable time. The ticket selling is in charge of Mrs. J. E. Fulghum.
 The program subject for the afternoon was "Planning the Summer Garden", and was first presented by Mrs. Bailey under the topic of "Careful Sowing", who made points on three requisites, good seeds, proper soil and proper seedbed, and sensible care in the matter of sprinkling and shallow covering of the seeds.
 Mrs. Beam discussed "Garden Combinations", stressing especially the possibility of transforming an old-fashioned "Backyard" into a garden of great beauty, by work and experimenting.
 The "Garden Suggestions for April" were made by Mrs. Uzzell, who reminded the members present of things that should be done in the next few weeks.
 Mrs. Person gave a very interesting account of how to keep "Permanent Perennials" in the proper places for sun or shade, and with key plants around which annuals may be grouped effectively.
 Several plants had been brought by members and were exchanged at the close of the meeting.
 American tourists last year spent a billion and a quarter dollars for equipment, gifts and souvenirs. Make your own guess for 1942.

Personals

Mr. J. F. Matthews visited Raleigh Wednesday on business.
 Miss Adelaide Johnson and Dr. Sadie C. Johnson visited Raleigh Sunday.

MRS. BAGBY HOSTESS
 The Current Literature Club met with Mrs. A. Paul Bagby on Tuesday afternoon, April 8, at her home.
 The subject for the program was, "How First Printed Books were Made." Mrs. V. R. Kilby spoke on "Make-up and Appearance of First Printed Books"; Mrs. I. D. Moon told of "Subject Matter of Fifteenth Century Books"; and the last paper was by Mrs. M. S. Davis, on "Printer's Marks and Devices."
 At the conclusion of the pro-

April 14—Pan-American Day

Pan America . . . Good Neighbors in Agriculture, Business and Defense.

Pan-American Day, observing the creation 51 years ago of a Federation of the 21 Western Hemisphere republics, is April 14. Dean I. O. Schaub, director of Extension at N. C. State College, is among the agricultural leaders of the Nation who think that Pan-American Day has a new significance this year. "Good neighborliness is especially important right now," he says, "because friend-

ship between Western Hemisphere countries is vital to our National defense." On behalf of the farm people of North Carolina, he extends a friendly "hand across the border" to the good neighbors to the South of the United States. The U. S. Department of Agriculture is encouraging more friendly relations with the Pan-American republics among farm people throughout the Nation.

Farmers obtained nearly 161,000 emergency crop and food loans in 1940 for a total of \$19,470,625, according to figures released recently by the Farm Credit Administration.
