

LOCAL HAPPENINGS

Cotton was worth 21 1/4 cents a pound in Louisburg yesterday.

What you think of yourself doesn't count—unless you can prove it.

VICTORY ON THE FARM FRONT
NEWS from the Agricultural Extension Service

STATE COLLEGE ANSWERS TIMELY FARM QUESTIONS

QUESTION: How much of the soya products can be used in improving the food value of dishes?

ANSWER: Soup mixes consisting of soya flour or grits, other legume powders, dry skim milk and seasonings may include up to 40 per cent soya, says the USDA Bureau of Human Nutrition and Home Economics. With cereals like corn meal, cracked wheat, oat meal, hominy grits, rolled oats or granular wheat cereal, 15 to 20 per cent of soya grits or flakes may be used with good results. In quick breads and yeast breads there may be from 15 to 20 per cent soya flour.

QUESTION: Can we have clean fruit in the home orchard?

ANSWER: Yes. With such home-grown fruits as apple, peach, grapes of the bunch variety, raspberries, blackberries, and dewberries, a practical job of spraying can be done with a bucket, napsac or barrel sprayer, resulting in reasonably clean fruit. Purchase dry lime sulphur, wettable sulphur, commercially prepared Bordeaux Mixture, arsenate of lead, and hydrated lime. Consult your county agent for sprays and spraying schedules.

QUESTION: Is it too late to organize a cotton improvement program for 1944?

ANSWER: No. First, farmers must form a cotton improvement group and elect officers before they will be eligible for cotton classing under the Smith-Doxey Act. They must select ginners to take samples of each bale of cotton and forward them to the classing office. They must make arrangements for going on a one-variety basis and provide for good seed for the 1945 crop. The Extension Service will assist in obtaining purebred seed. Interested growers should contact their county agent and arrange for a farmers' meeting.

FOR COMMISSIONER

I am a candidate for re-election as County Commissioner from District No. 3, comprising Hayesville and Sandy Creek Townships, subject to the Democratic primary on May 27, 1944.

I have constantly done my utmost for the best interests of the people while I have been a member of the Board of County Commissioners. I pledge myself to continue to serve the county to the best of my ability.

While I have been on the Board, the indebtedness of the County has been decreased by more than a million dollars, and at the present time the County is in the best financial condition in many years. Franklin County, in spite of depressions, has never defaulted in the payment of any of its indebtedness.

During the present term I am serving as Chairman of the Board of County Commissioners, and if re-elected I shall do my best to merit the support of the people.

The present rationing of gasoline will necessarily prevent my seeing as many of my friends as I would like to see, but the support of all will be appreciated.

4-21-44 JOEL Z. TERRELL.

"Bombs Away!" These bombs are leaving an American "fortress," somewhere over Jap installations. The bombs we make today will be dropping on German cities, Japanese islands in a very short time. The home front must fashion them and pay for them with War Bonds.

Personal

Rev. E. H. Davis was a visitor to Raleigh Tuesday.

Mr. G. M. Beam visited Durham yesterday on legal business.

Mr. Kinney Pearce, of Virginia Beach, Va., spent Wednesday in Louisburg.

Two girls were talking. First—What kind of a fellow is your sweetie?

Second—When the lights went out as we sat together in the living room, and all the folks out, he put in his time trying to fix the fuse.

First—Handy, ain't he?

Curious Guest—Why is it that poor men usually give larger tips than rich men?

Waiter (Who was something of a philosopher)—Well, sub, looks to me like de poor man don't want nobody to find out he is poor, and de rich man don't want nobody to find out he is rich.

DON'T DELAY!

Select your cotton dresses while you can get sizes and colors you want.

JUST RECEIVED A NEW ASSORTMENT OF COTTONS.
