### RATION CALENDAR

The Raleigh District Office of Price Administration compiles this thumb-nail ration guide from official sources weekly for the FRANKLIN TIMES as a public service feature.

**FOR WEEK OF APRIL 16-22**  
**Processed Foods**  
Blue A8 through K8 now valid at 10 points each, for use with tokens. Good indefinitely.

**Meats, Fats**  
Red A8, B8, C8, D8, E8, F8, G8, H8, J8, K8, L8, and M8 (Book Four) now valid at 10 points each, for use with tokens. Good indefinitely.

**Sugar**  
Sugar stamps No. 30 and 31 (Book Four) good for five pounds indefinitely.

**Canning Sugar**  
Sugar stamp No. 40 good for five pounds of CANNING sugar until February 28, 1945. Apply to local board for rations.

**Shoes**  
Stamp No. 18 (Book One) expires April 30. Airplane Stamp No. 1 (Book 3) valid indefinitely. Another shoe stamp, as yet not designated, will become valid May 1.

**Gasoline**  
A-9 coupons, now valid and will expire May 8.

NOTE: Rationing rules require that every car owner immediately write his license number and state in advance on all gasoline coupons in his possession.

Raleigh, April 19.—Airplane Stamp 2 in War Ration Book Three may be used for buying one pair of rationed shoes beginning May 1. Theodore S. Johnson, district director of the Office of Price Administration, has announced. He also reminded purchasers that Stamp No. 18 in War Ration Book One, which has

been valid for shoes since June 18, 1943 will expire on April 30.

Raleigh, April 19.—A detailed break-down showing the monthly supply and demand of rationed shoes during 1943, reveals that distribution of rationed shoes during the year exceeded production by 53,000,000 pairs. Theodore S. Johnson, district director of the Raleigh Office of Price Administration, disclosed.

This heavy drain on inventories clearly shows, he said, why it has been necessary to decrease the rate of shoe rationing to civilians.

Raleigh, April 19.—Servicemen on furlough will get their sugar rations in units of one pound, rather than on the previous basis of 1-4 pound for every nine meals at home, Theodore S. Johnson, district director of the Raleigh Office of Price Administration, announced.

Reason of the change, he explained, is primarily that servicemen have found it difficult to buy sugar in smaller amounts than one pound. In addition, handling of certificates for quarter-pounds of sugar creates needless banking and bookkeeping problems.

Customer (at glove counter in a store)—I want to see some kid gloves for my daughter.

Clerk—Yes, madam. White kid? Customer (walking out indignantly)—Sir, you insult me!

### TO MY FRIENDS, THE VOTERS OF FRANKLIN COUNTY

Many of you have asked me repeatedly to become a candidate for the State Senate from this, the sixth Senatorial District. I have been reluctant to assume the responsibility (which is a great one), but have now decided to go, and endeavor to do my duty, if a majority of you want me to do so.

Friends, you will have a chance on the 27th of May to act officially in a personal way. This is entirely up to you and whatever happens, we all will still be good friends, and thanks to you.

Most sincerely,
