THE BUNN P.T.A. PLANS FOR THE YEAR

The first meeting of Bunn, P. T. A. was held on Thursday evening at 8 o'clock. The following officers were elected: President, Mrs. J. V. Walters; Vice-President, Mrs. R. N. Shearon; Secretary, Mrs. O. G. Thompson; Treasurer, Miss Lucy Wiggs.

The P. T. A. plans to assist with the school cafeteria again this year. In the discussion of the cafeteria special emphasis was placed upon the need of providing a wholesome meal for the students.

Also, proposed projects for prevention of erosion of the grounds, provisions for better library facilities, and proposals for creating interest in retaining pupils in school received attention. The fact that there were 4711 absences from school last year shows the need for stressing attendance.

In the early part of November, "A Womanless Wedding," preceded by a Brunswick Stew Supper, will be given by members to raise money to finance the projects.

THE LOUISBURG GARDEN CLUB

Mrs. M. S. Davis was hostess to the Garden Club on October 5. In the absence of the President, the Vice President, Mrs. A. W. Person, presided.

Routine business included the reading of the minutes, payment of dues, and a vote to remember by a message the Secretary, Mrs. George Ford, a hospital patient.

In the program for the afternoon, the theme stressed activities pertinent to the seasonal garden requirements.

"Permanent Perennials," an article suggesting the planting of certain old-fashioned perennials that last many years, was read by Mrs. Patten.

Mrs. Amick discussed "Late Fall Seed Sowing," describing the treatment for out-of-door winter seedbeds.

"Garden Reminders for October" were listed by Mrs. M. S. Davis.

Mrs. Person read a poem, "Autumn," and called to the attention of those present the new copy of the "North Carolina Gardener."

A letter was read informing the Club of the annual district meeting to be held at Henderson, on October 19, and urging members to attend.

The flower arrangement for the afternoon was made by Mrs. Williamson, and consisted of a low white pottery container filled with chrysanthemums in shades of rose and pink. The ensemble was completed by a figurine of a fawn and some small books spaced along the table.

At the conclusion of the meeting, those present exchanged plants which they had brought for that purpose.
