Changes in Price Listing OPA is giving you herewith changes that are made in the posting order covering the posting of community dollar-and-cents price list incorporated in Amendment 1 to Revised General Order No. 51. 1. It is the duty of every person selling food at retail to obtain enough copies of community dollar-and-cents prices fixed for dry groceries to post the required number of lists. 2. One poster is to be used for each 1500 square feet or part thereof of selling space. 3. If more than one poster is necessary, such posters are to be spaced at least 25 feet apart. 4. Each list must be posted so that it can be easily read and so that the customer can approach it within two feet. 5. One copy of each list of dollar-and-cents ceiling prices for all items other than dry groceries must be posted at or near the place where the items are offered for sale. When movable tables and chairs are to be placed on a polished floor, cut pieces the size of a quarter or a half-dollar from an old felt hat and glue them to the bottom of the chair and table legs. This will prevent scratching of floors. Visitor: "How many students are there in your class?" Professor: "About one in every five."

COUNTY AGENTS, FORESTERS HELPING FARMERS OVERCOME PULPWOOD SHORTAGE!

WHILE pulpwood mill receipts are still lagging behind War and Home Front needs, increased pulpwood cutting by farmers has compensated in part for the loss in production at logging camps. The mills feel much credit for this accomplishment should go to the County Agents and Foresters who are helping farmers mark their woodlot trees for thinning, and advising them on marketing.

The Battle is far from Won The pulpwood shortage hasn't been licked. Pulp mills need much more pulpwood to keep pace with War orders. Much depends upon off-season farmer production this fall and winter. Your County Agent and Forester are on the job again this fall, advising greater pulpwood cutting as soon as the harvesting of field crops permits.

A Crop with a Future Proper cutting of pulpwood on farm woodlots, with the advice of your County Agent or Forester, will prove profitable not only this fall and winter but for years to come. Pulpwood is a cash farm crop which will be in demand after the war as well as today.

WHO ELSE WILL HELP THEM IF YOU DON'T? IF YOU'RE LIKE MOST PEOPLE, YOU'RE WAITING AROUND TO "LET GEORGE DO IT." SURE, YOU'VE CONTRIBUTED SOMETHING, BUT YOU'VE GOT THE IDEA IN THE BACK OF YOUR MIND THAT THERE ARE MILLIONS OF OTHER PEOPLE ALL OVER THE UNITED STATES WHO ARE CONTRIBUTING, TOO. THE THING YOU'VE GOT TO REMEMBER IS THAT THOSE MILLIONS OF OTHER PEOPLE ARE PRETTY MUCH LIKE YOURSELF. THEY'RE EXPECTING THE OTHER FELLOW TO CARRY ON THE WORK, WHICH ADDS UP TO A HANDFUL OF FOLKS TO GIVE ALL THEY'VE GOT AND A MULTITUDE OF ONCE-OR-TWICE CONTRIBUTORS. MEN DON'T GO TO THE BATTLEFRONT ONCE OR TWICE. WOMEN AND CHILDREN DON'T EXPERIENCE THE WAR-TIME STARVATION AND ILLNESS ONCE OR TWICE. THE JOB WE'VE GOT AHEAD OF US—THE JOB OF WINNING THIS WAR—CALLS FOR THE KIND OF PEOPLE WHO GIVE ALL THEY'VE GOT! NOT ONCE OR TWICE. GET THE HABIT OF INCLUDING THE WAR IN YOUR BUDGET. BE THANKFUL YOU DON'T SUFFER THE HORRORS, THE REALITIES OF WAR RIGHT IN THIS COUNTRY. BE THANKFUL THAT ALL YOU'RE ASKED TO DO IS GIVE. GIVE. When your local United War Fund Committeeman calls on you greet him with a smile of appreciation for what he is doing. He is giving his time and efforts to this great cause. Dig down deep and give your part. He will gladly suggest to you your share in our local quota. — This Ad Sponsored by — G. W. MURPHY & SON Louisburg North Carolina
