Teenage Chat
By Betty Wrenn

Heard that Charles Oakley, Joel Pusey, Chris Beck, Robert Strother, Bobby Mitchell, Eric Morgan, and Allen Shearin went to Bugg's Island on a camping and fishing trip. I know you all had a real good time but did you catch any fish? Hope so, anyway a little advice, Joel, stay out of trees if you know what's best for you.

Sorry to hear that Shelia Latta, Jimmy Johnson, and Gladys Smith are in the hospital. Hope you all will be back in circulation and feeling fine real soon. Glad you made such a quick recovery, Al, good to have you back home.

Who's got problems? Jeff likes to walk except when his blister gets painful; Faye wants blond hair; all seniors want to have a good time on their trip. By the way, another fashion that has hit the schools big, is the color burgundy. Everybody is wearing it in culottes, wrap-arounds, slacks, A skirts, blouses, bermudas, and just everything you can get in this color. Just seems everyone's gone wild over it.

Heard that the Louisburg High Juniors are really working hard on the Junior-Senior. Seen quite a few of them over at the Big Franklin Warehouse making decorations for it. Knowing them I'm sure they're having a real ball!

The Y. W. A.'s of the Louisburg Baptist Church met Monday night at the home of Faye Rudd. The program "A Filipino Revue" in which everyone took part. Those present were Faye Rudd, Judy Wilder, Betty Wrenn, Donna Crowder, Donna Weaver, Barbara White, Lois Griffin, and Dorothy Knott. Refreshments consisted of pretzels, cookies, and Pepsi.

Seems Jeff Bulluck, Tony Fuller and Frankie Redmond are going on a long bicycle ride next Sunday. Well, if you enjoy that type of thing, but I could think of a few better things to do.

Sidewalk Art Exhibit
Mrs. Napier Williamson's Art Class will exhibit their work on Friday, April 12 from 10 o'clock A.M. until 4:30 P.M. The pictures will be displayed on the fence back of Franklinton School. The public is invited.

CPL Economist Club Speaker
Youngville--The Home and Garden Department of the Youngville Woman's Club has planned the program for the next club meeting which will be held at the community house on Tuesday night the sixteenth. Guest speaker for the evening will be Miss Eugenia White, Home Economist with the Carwith the Betas last week end. Lina Power and Light Company.
