## Teenage Chat

By Betty Wrenn

The YWA's of the Louisburg Baptist Church held their last meeting for the summer last Monday night at Dorothy Knott's home. Those present were Dorothy Knott, Lois Griffin, Barbara White, Donna Weaver, Faye Rudd, Donna Crowder, Judy Wilder, and myself. We all enjoyed steaks, charcoal on the grill, baked potatoes, a salad, rolls, iced tea, and home made cake. Meetings will resemble in September and all girls from ages 16 to 20 (unless you are married) are urged to participate in next year's program. Take my word for it you have a great time with all the girls, you learn many things, and you feel you are doing something worthwhile. I'll really miss being a YWA next year, and I know you'd all be welcome in this group. Why not be thinking about it?  
The recreational program for Louisburg begins Friday. Be sure to register at the Louisburg High School Auditorium. Also Teen Age Club will be held from now on at the auditorium of LHS. It will certainly be a lot cooler. Come on down and have a good time. Table tennis and other games will be available as well as dancing. Those in charge of this program are Mr. James Goodrich, Betty Hobgood and Carolyne Gupton.  
Sure was sorry to hear about Charles Kerley breaking his ankle or foot (I'm not quite sure which). Hope you'll be all fixed before too long. I guess this will sort of mess up your nice vacation, won't it Charles? Several people have asked me where everyone is hiding these days. I assure you I don't know. This town certainly has lost its teenage population somewhere. If you're one of those who has been hiding, let me know where.

## Decorating Tips

# For A Lovelier Home

By Liz Goyak

Have you heard? The biggest home furnishing news these days is Toile (pronounced twall).

And it has nothing to do with work. Rather, Toile is the French word for fabric and dates back to the 18th century when Oberkampf established his famous textile factory in Jouy, France.

The patterns of these fabrics were influenced by the elegant life of the Louis (remember Marie Antoinette?). They depict gentlemen and ladies in both formal and pastoral settings and usually were reproduced on rich linens.

With the current emphasis on provincial and Early American lines in home furnishings, Toile has achieved new importance as a mood-catching backdrop.

The United Wallpaper Company of Chicago, the nation's leading wallpaper manufacturer, has managed to recapture several delightful Toile patterns in its new collections. For instance, Toile patterns are available with matching fabrics in tones of wedgewood blue, ruby, and sepia on a creamy background in the new Varlar Collection. Varlar is the original stainproof vinyl wallcovering which can be scrubbed 25,000 times.

The new PDQ collection of pre-pasted wallpapers (you need only dip these papers in cool water and apply to the wall) also boasts three Toile patterns.

Thought for the day: Into each life some rain must fall, some days be dark and dreary. - Henry Wadsworth Longfellow.

## What

"Robert," chided mother, "why are you always wishing for things you haven't got?"  
"Why, mother," retorted the thoughtful lad, "what else can I wish for?"

**Cattlemen - don't let flies slow gains, cost you money**

Cattle feeders know that fly-time is rough on cattle. Flies bother cattle, slow gains; may contaminate feed, and spread disease. A small investment in fly control is sure to pay big dividends. Cattle fed in Purina Feeding Demonstrations are protected by Purina Research approved killers that kill flies like magic. Research tests show fly control pays for itself many times over in added pounds of gain.

Now's the time to see your Purina Dealer for effective, easy-to-use, economical Purina Fly Killers. They're built to control fly-time problems in your feedlots or on range.
