Teenage Chat

By Betty Wrenn

Anybody for going to the drag strips? Well, I've heard that there are quite a few around here who are really in the swing of things. For instance, Jack Strickland, Neil White, Billy Lumpkin, Darrell Wilson, and Gay Jenkins are going to the big four day event at Farmington, N.C. which is just outside of Winston Salem. This event starts on the fourth of July and should really be something. Well, I know you'll all have a grand time. Just be sure to let me know all about it when you get back.

Here's a little news from down Gold Sand way. It seems that the two boys from Gold Sand who liked Franklinton girls were really Donnie Aycock and Dan Leonard, in case some of you had the wrong two in mind. Hey, you two, what goes on up in Franklinton every Sunday night?

Heard that Donnie West and Bill and Phil Hight have gone to Carolina Beach for the week. I know you're having a good time. Also that Dianne Hight is visiting her grandmother at Clinton, N.C. The Gold Sand teens sure miss her.

Bo Allen is in Virginia visiting his sister. We all hope he comes back soon, especially Patricia.

Now for a bit of news from Youngsville teens. Seems that a big slumber party was taking place last Friday night at Martha Lye's house. Those who attended were Martha, of course, Mary Iva Wrenn, LaRue Paschall, and Shirley Wheelless. They all had a real good time playing records, eating, and just chatting. Say, Mary, I bet those pictures you took should be very interesting to see. Also, L.P. and M.L. said the floor got pretty hard but that it was still alot of fun.

It seems that C.A. of Franklinton really likes plums, but her cat can't take but so much. You'd better watch those curves, Carrie, and those plum trees.

Sure do sympathize with Johnny Vaughan. His girlfriend has gone to Illinois for a few weeks. Don't worry too much, Johnny, she'll be home before too much longer.

The Franklinton teens are still on the ball about keeping me informed. Heard that Wayne Arnold left for the beach last Sunday morning to stay a week. Sure hope you have a nice time, Wayne.
