Attend Conference

RACHEL PEARCE

KAY HALL

Miss Rachel Pearce and Miss Kay Hall, members of the Youngville Senior Girl Scout Troop, were selected by the Pines of Carolina Girl Scout Council to attend the Interior Decorating Conference which was held in High Point, N. C. on August 4, 5, and 6.

The two local Scouts joined with one hundred other scouts of the Council Sunday at the Holiday Inn for registration; and a welcome by the mayor of High Point. Girl Scouts representing the Council were from various areas of central North Carolina which is now included in the new council.

While there the girls had the opportunity of taking tours of furniture houses including Schoubeck, Tomlinson and Globe. They saw upholstering being made at Artistic Incorporated. On Monday evening a picnic was held at Girl Scout Camp Keyowee. On Tuesday they toured Alderman Studios, American Supply Company, and the Furniture Exposition Building.

Highlights of the conference were talks on career opportunities in Interior Design; which were presented by the Myrtle Desk Staff.

Youngville Troop Organizer, Mrs. A. E. Hall, attended the conference with the scouts.

Thanks

I would like to take this opportunity to thank Dr. Perry, Dr. Medders, the third floor nurses and the entire staff at Franklin Memorial Hospital for the many kindnesses shown to me while I was a patient there. To the many friends who remembered me with visits, cards, flowers and prayers. Each of you will be long and prayerfully remembered.

Teenage Chat

By Betty W. Summerlin

Again, I'd like to warmly thank my guest writer for Tuesday. I think you did a fine job and I wish you the best of luck if you're interested in writing permanently. Well, since so many of you have asked to write, I feel I should explain the qualifications. You must be a senior next year at your high school and you must be willing to learn to type and to work towards having a good column. So if any of you who meet these qualifications are interested, let me know and I'll be glad to let you try as a guest writer.

All of you who are taking those beach trips are really having fun I know, but you're still missed around the old 'burg. I'd like to apologize to Steve Harris for not including his name in the last bunch of boys he went to the beach with. I'm sorry you were left out, Steve. Anyway, he will be returning from Virginia Beach this week. He went down with Charles Oakley and Chris Beck and I know you all are having fun.

Others who are really vacationing away from home for a whole summer are Emma Ruth Bartholomew and Betty Lavender. Emma Ruth is really enjoying quite an experience. It seems that she is touring Europe and won't be home until September. I know she and her family are really learning quite a lot as well as having fun. Betty Lavender is in Minnesota for the summer. Sure hope you're having fun, Betty. Anyway, all the teens sure miss these two.

Word has it that I was misinformed about which boy from Youngville who joined the National Guard. It seems that it was Bennett Perry rather than Perrin Young. I'd like to apologize to both boys. Sure hope I have it all straight this time. I was terrible sorry to hear about Tony Summerlin's accident. It seems that he suffered a ruptured spleen last Saturday night and had to have a rush operation Sunday morning. If any of you would like to visit him, he is at the Maria Parham Hospital in Henderson. Sure hope you will be well soon, Tony. I'm sure all the Franklinton teens really miss you, so hurry and get well. Jeff Butluck, his father, Bill Taylor, his mother and father

All girls in this age group are urged to attend.

left Monday morning for the baseball games in Washington, D. C. Seems that they will return sometime Thursday night. If you're a baseoal fan, that should be quite an experience. Hope you all have a real good time. Be sure to tell me all about it when you get home, Jeff.

Seems that was quite a bit of excitement out on Highway 561 on Monday afternoon. Four horses got out of their pasture and were causing quite a traffic problem. Sure hope you didn't have to catch them all, Susan.

Well that's about all the news I have. Be sure to send me any news you may have. The summer is nearly over and vacations should be going strong so please keep me informed. I certainly will appreciate it. Thanks.
