## Debt Finally Paid

Cincinnati -- There's one honest citizen in Whittier, California. Someone had carried a burden of guilt for 48 years because they had stolen a few pencils from the Sherman Elementary School.

The board of education recently received an anonymous letter containing \$1 for pencils taken while the writer was a mere boy in the fourth grade.

# Townsville And Bunn Split In Twin Bill Card

Bunn high boys tripped the Townsville Eagles, 60-49, after Betsy Moss dropped in two field goals in an overtime period for a 29-25 Townsville win over Bunn girls, in a non-conference basketball doubleheader at the Townsville gym Friday night.

With a red hot shooting hand during the evening, Lee Brantley canned 28 points to spearhead the attack for the visiting boys. Teammate Charles Mullen backed him up with 16 points. Leading the Eagles were Tommy Howell and Johnny Wilson, who got 14 and 13 points respectively.

Townsville posted a 10-9 first quarter margin in the nightcap battle, then Bunn edged away by 24-22 at halftime. Bunn stretched the advantage by two more points in the third stanza and fattened the victory in the closing period.

In a previous meeting on November 5, Bunn had pulled out a 37-36 win. For the season

overall to date, the Townsville lads now have a 5-13 record.

Townsville girls had been scuttled, 38-18, in the November engagement but gained their revenge Friday night in the extra quarter. The score was deadlocked at 25-all in regulation time before Betsy Moss chipped in her four winning points. She also took individual honors in the game with 17 points; Beverly Pittman followed with ten for the Eagles. Eleven points by Nora White paced Bunn lassies during the evening.

The torrid struggle saw Townsville girls down by 15-13 at intermission and 21-18 in the third quarter. But they evened things up at 25-25 in the fourth. The winners hit on eleven field goals and seven of 16 free throws in the game, while Bunn was getting six shots from the floor and 13 of 22 at the foul line.

# Wednesday Action Features City Series

The first of a four game City Series will get underway Wednesday night as the teams of Franklinton High School Gym at 9:00 p.m.

Both teams will be trying to rebound from defeats suffered in their first outings Monday night.

Coach Rupert Pearce has promised that his Franklinton B team will be using their renowned fast slow break. The Franklinton A Team is up for the game and are keeping their multiple offense attack secret.

At 7:30 p.m. the game that precedes the Franklinton match will feature the College boys team of the league, Wake Forest and Louisburg. Both won their opening games and this promises to be a real battle.

To round out the schedule the National Guard Rockets orbit to Bunn and take on the Termites at 8:00 p.m. in the Bunn High School Gym.

# Franklin Athletic League To Play Games At 3 Sites

The Franklin Athletic League opened its first basketball season Monday night. The league has representatives from five towns in this area. The site of its inception, Franklinton, has entered two teams. Louisburg, Bunn, Youngsville and Wake Forest are also represented.

A twenty-game schedule is planned--each team playing the others four times. At the end of this schedule the percentage champion will stand by while the next four teams play a single elimination tournament. The tournament winner will then play a best out of 3-game series with the percentage champion for the league championship.

It was learned last week that the Bunn High School Gym will be available for league action on Wednesday nights. Thus, there will be double headers Monday and Wednesday nights at the Franklinton High School Gym, the first game starting at 7:30 p.m. Single games will be played Mondays at the Gore Gym in Wake Forest and Wednesdays at the Bunn High School Gym. Starting time at both sites will be 8:00 p.m.

# Local Man Charged With Drunk Driving

A 51 year-old Louisburg man was arrested on charges of drunken driving following an accident near the Franklinton-Vance line near Bobbitt Saturday night.

State Highway Patrol Cpl. J. E. Rawls and Trooper S. R. Whitten said that a car operated by Elmo Thomas Edwards of Louisburg had stopped in the road and that Edwards had left the door open and headlights burning. The right front door of the Edwards car was struck by an oncoming car, operated by J. T. Finch, 17, of Route 1, Kittrell, who stated that he was blinded by the headlights of the other car and did not see the open door.

Trooper Whitten charged Edwards with drunk driving and bond was set at \$200. Total damages in the accident were estimated at slightly more than \$100.

# State Woflets Trip Louisburg

# Bunn, Louisburg, Wake Forest Wins

Bunn 47 Franklinton 43

The Bunn Termites got off to an eight point advantage in the first quarter of play and then held back all rallies by the Weavers of Franklinton as they gained their first victory in league play.

In the fourth-quarter Franklinton B drew within two points with 1:34 showing on the clocks but then Bunn put on a freeze and dropped in two free throws before the final horn sounded.

Chick Winstead led the winners with fourteen points. Ronnie Johnson did so for the losers with 13.

Louisburg 67 Youngsville 58

were trampled by the Junior Deacons at Wake Forest 81 to 63. It was a fairly even ball game until the fourth quarter when the Charges had lost the services of their two big men Doctor Larry Tyree and Joe Green on fouls. Bryan Haskins took the scoring honors for the night dumping in 44 points for the losers. Tommy Wall was high point man for the winners with 31.

# Buggy Too Slow

London--Queen Elizabeth II, of Great Britain, has been asked to do away with the traditional ing her family marketing.

The traffic jam it causes has grown to such an extent that several accidents have resulted. Experts have suggested the 4-wheeled carriages, known as broughams, be replaced by cars.

# Must'a Been

"Mary," said mother reprovingly, "everytime you are naughty I get another gray hair."

"Gee, Mom. You must have been a terror when you were young--just look at Grandma."

# Care For Heels

London--F. B. Ellis, head of an office equipment company has solved the mystery of the sales boom in rubber finger sheaths, size double 0.

The product is called finger cones or a kind of rubber thimble clerks use to protect their fingers on such jobs as counting sharp-edged sheets of paper.

It was learned office managers are buying them by the gross for girls to wear on their stiletto heels to protect costly parquet or plastic tile floors.

# Operation Snowflake

Ever travel the Blue Ridge mountain section of Highway 52 in foul weather? Modern trucks are equipped to get through, but cars sometimes stall and block traffic. But not too often or for too long . . . thanks to "Operation Snowflake," a public service performed by N. C. Motor Carrier members. They maintain a daily patrol, dispatch wreckers, and flash hourly weather and road reports in true partner-on-the-highway spirit.

# Countdown Charlie

Before a truck is permitted to leave the terminal, it is checked out thoroughly. This operation is executed with care by trained personnel working with proven test equipment. And why not? The stakes are too high for guesswork. Shippers expect and receive deluxe service. Dependability is more than a slogan, it is a way of life for modern motor carriers -- your partners on the highway.

# Pro Drivers College

Hey, Bud! What was your college year? Chances are you never asked a truck driver this question, but if you did the answer might surprise you! More than 4,200 truck drivers have graduated from the North Carolina State College Truck Driver Training School. In the classroom and on the training field they study and prepare to become better, safer "partners on the highway". Tuition fee is \$200 for North Carolinians, \$250 for out-of-state drivers.

# From The Governor

As part of the N. C. Truck Fleet Safety program a "Driver Of The Year" is selected from the twelve "Drivers Of The Month". He receives statewide recognition and the Governor's Gold Cup at ceremonies in the Governor's office. Other safety activities include the annual N. C. State Truck Rodeo, safety clinics and fleet maintenance courses, among many others.
