Jet-smooth Luxury Chevrolet makes crooked roads feel like going straight

Chevrolet's Full Coil suspension makes the crookedest S-curve seem on the level. With a double-acting shock absorber in each corner, it takes the jumps out of bumps. With 4-link leveling control, you get away with Jet-smooth acceleration. With built-in anti-dive control, you come to Jet-smooth stops. And with low-friction Ball-Race steering, you waltz over twisting roads as gracefully as a ballerina.

All 1964 Chevrolet engines are precision balanced for smooth operation. And because your Chevrolet has over 700 insulators and sound deadeners, you don't have to shout to have yourself heard. It's Trade 'N' Travel Time at your Chevrolet dealer's—the perfect time to try the Jet-smooth ride. Find the meanest stretch of road you can. Then see for yourself how straight a crooked road can feel.
