## Wood G. A.'s Meet

The Wood G. A.'s met Thursday evening at 7:00 p.m. in the Wood Baptist Church with eight members and three leaders, Mrs. Pauline Taylor, Mrs. Joe Denton and Miss Dell Pearce, present for the meeting.  
Judith Gupton, president, called the meeting to order with the group singing "I Am Thine O Lord." The scripture reading from Psalms 100:3 and Psalms 68: 19, was given by Debbie Gupton. The secretary, Tony Gupton, called the roll and read the minutes of the last meeting. Margaret Jones led in prayer for missionaries on the prayer calendar. Then a hymn, "O Worship the King," was sung, after which all the members stood and repeated together the G. A. Allegiance.  
A short business meeting was held by Judith Gupton. At this time the business matters were discussed and announcements were made. Also, Kathy Gupton gave a short program on "Acknowledging My Stewardship," which was very interesting.  
Patricia Hamlet, program chairman, was in charge of the program entitled "Worship and Its Elements." Those who assisted Patricia with the program were Margaret Jones, Judith Gupton, Mary Joe Denton, and Kathy Gupton.  
The meeting was closed with prayer by the Counselor, Miss Dell Pearce.  
Following the meeting two of the leaders and all members carried a basket of fruit to Charles Jones, a shut in, due to a broken leg. (DP)

## Health And Beauty

This is the season when cold sores or fever blisters begin. It is surprising that cold sores are not more common because most people carry the virus with them all the time.  
Natural resistance to this organism is lowered by certain factors, most common of which is the cold, sudden elevation of body temperature, gastrointestinal upsets and over-exposure to sun and wind.  
A cold sore starts with a little itching and burning of the affected area. This becomes more intense. One or more sores will occur--usually about the lips, nose or other areas where skin and mucous membranes meet.  
Most often cold sores dry up on their own. They leave crusts which take about a week to fall off. Discomfort can be relieved by camphor-ice menthol of spirits of camphor.

Even talking about your grievance to someone helps. Resentment, the feeling of being wronged or unappreciated and the feeling of insecurity are by far the worst rousers of your stomach.  
You can dodge the feelings which let an ulcer get started by steering clear of situations that will cause the feelings. If being the president of your garden club or Lions Club makes you worried and uncertain--don't accept. Sound off when someone abuses you. Take life as easy as you can and hurry as little as possible. If you become emotionally involved with a problem and find the tension piling up on you, drink a glass of milk. Your eating habits are important. Avoid highly seasoned foods, excess alcohol and tobacco during times of stress.  
Don't think that a peptic ulcer is so recurrent and numerous that drastic treatment is called for. A doctor should be consulted and given a background picture of the patient's trouble with cold sores. He will probably advise a series of small-pox vaccinations.  
Stay away from the use of make-up on the affected area. The straw-colored fluid carries the virus, so be considerate of other people. Never resort to picking a cold sore--this is a good way to get into serious trouble.

You would do well to omit these items from your diet altogether.  
Don't think that a peptic ulcer is a badge of high position. It can happen to anyone in any walk of life.

## Footsore Dog Returns

Santa Rosa, Cal.--Mrs. Evelyn Cramer, hearing a dog bark at her door, found a Pomeranian dog starting there. She checked its license tag and identified the dog as her pet, which strayed from their car while the family was vacationing in Eugene, Oregon, six months earlier. She explained that the dog must have walked the 580 miles from Eugene. Europe's longest bridge to span to Scotland.
