4H Clubs Hold County Achievement Day

The County Achievement Program was held Friday, October 23, 1964 at the Gold Sand School Auditorium. Aside from the regular program, the 4-H'ers brought their local blue ribbon winning exhibits to put on display. These exhibits were judged while the program was in process. Out of around one hundred exhibits, they all received red and blue ribbons. Everyone including the judges said the exhibits were real good and I was proud of them myself. Next year, I hope to plan this so it will go a little smoother than this year.

There were around one hundred and seventy-five people present including Dr. and Mrs. W. G. Andrews, Northeastern District Agricultural Agent.

Robert Earl Hock of Epsom was the master of ceremonies with different 4-H'ers on the program. Carroll Mode of Needmore Club gave the welcome and Mr. W. P. Childers, Chairman of the County Commissioners, gave the response. Mrs. Frances Fuller, Home Economics Agent, recognized the guests and presented the year certificates to the 4-H'ers. Mr. J. P. Timberlake presented the 4-H Calendar to Robert Earl Hock to represent the ones his firm bought to give to all the 4-H'ers in the county. Mr. Joe Edwards, local miller, was present for the presentation of the checks to the corn meal winners. Fifty-five coun-

ty champion certificates were awarded to the 4-H'ers. Fifty-six blue award certificates and sixteen red awards certificates were presented to the 4-H'ers. Pam Harris, Ricky Carden and Myra Harris of Justice and Bobby Fuller of Moulton-Inglesside presented the talent. After the program the 4-H'ers, parents and guests were in-

ited to look at the exhibits and have refreshments. The 4-H Clubs were responsible for putting on the program. Their duties were as follows: Centerville and Wood, Stage decorations and exhibits; Epsom, Programs; Justice, Talent; Louisburg, Clean-up; Moulton-Inglesside, Devotion; Needmore, Refreshments.

Little Too Well

Walking through the woods, the artillery officer was surprised to see a number of men climbing trees and crawling through bushes.

"What's the great idea?" he snapped. "What do you men think you are doing?"

"Well, sir," said the sergeant, "we've camouflaged the gun so well that we can't find it."

Graciousness is misunderstood by brutes as weakness.

If there is nothing to talk about, try not saying anything.
