

Nothing Else

The Dynamometer Specialist was going with a girl he wanted to marry. So he went to her father for an interview.
Father: "Do you know I've heard a lot of bad tales on truck mechanics, so there's something I want to clear up. Do you drink anything?"
Dynamometer Specialist: "Oh, no, sir, only alcoholic beverages."

QUALITY FURNITURE CO.

The human race will be greatly improved when men attend to the business of improving themselves.

IT'S CHRISTMAS!

"Christmas is for children," I heard a wise man say,
And how I yearned to be a child again on Christmas Day!
A child with laughter in his heart and wonder in his eyes,
And faith that sees a radiant Star in cold December skies,
Who listens for enchanted sleigh bells in the frosty night,
And sets a candle on the sill, the Christ Child's way to light!
Yes, Christmas is for children! May this one special be,
And bring its joy and magic to the child in you and me!
