

LPN's Hear Mr. Hicks On Civil Defense

Area 15 of the North Carolina Licensed Practical Nurses Association met Friday night, February 4, 1966, at the home of Mrs. Sadie Barnes, 229 Perry Street, Henderson, N. C.

Following a brief business session, the speaker for the evening, Mr. Robert Hicks, Civil Defense Director for the Louisburg area, was introduced. Mr. Hicks spoke at length on the problems of organizing a Rescue Unit and

expressed appreciation to the Licensed Practical Nurses for showing interest. His interesting speech was informative as to methods of improvising in case of national disaster. The key to rescue work is common sense and knowing how to use it, according to Mr. Hicks. We would like to express our appreciation to Mr. Hicks for his most interesting and informative speech.

Following the program, Mrs. Barnes served a gelatin dessert, fruit cake, and hot coffee. Members present from Franklin County were Margaret Driver, Betty Wrean, Ophelia West, and Virginia Williams. All LPN's will be welcome to join us at the next meeting, Friday, March 4, 1966, at 229 Perry Street, Henderson, N. C.

Rah! Rah! Ah, So?

The Japanese student, who was attending an American university, wrote his father in Tokyo about his new school. "An American university," he wrote, "is a vast athletic institution where, fortunately, some studies are maintained for the benefit of the feeble-minded."

The meeting was called to order by the president, Tony Gupton, and Margaret Jones called the roll. The minutes of the last meeting were read and approved. Eleven members, one adult leader, and two agents were present.
