Ouida Furguson Circle Meets

The Ouida Furguson Circle of the Woman's Society of Christian Service of the Louisburg Methodist Church met on Wednesday at the home of Mrs. Umphrey Lee with ten members present. Upon arrival the guests were served cookies and coffee by the hostess.
In the absence of the leader of the circle, Mrs. J. B. Hight presided. The main discussion centered around the honoring of the late Mrs. Mary Burt Person, who for many years served in various capacities of the society, both local and district, with diligence and devotion, by the burning of the candle of missionary achievement for a period of time at the Annual Woman's Conference at Burlington.
Mrs. Archie Lee presented the program on the subject "Strangers No More," discussing the events that led to the

Mrs. Kornegay Gives Program For Book Club

The Tuesday Afternoon Book Club met at the home of Mrs. C. J. Perry. Upon arrival, delicious refreshments were served to the following members: Mesdames M. C. Clifton, W. J. Cooper, Jr., C. W. Goldston, J. D. Medders, W. W. Nash, Helen Stephenson, G. M. West and a guest, Mrs. Roger Kornegay.
Mrs. George West, president, presided over the business meeting. Mrs. Helen Stephenson, program chairman, presented Mrs. Roger Kornegay, who spoke on the art centers of North Carolina. She gave interesting facts about the various centers in the state and the art department at Louisburg College. A general discussion followed.

At the close of the program, the meeting was adjourned. out, not in high level conferences, but in local communities. Will churches continue to live in isolation and indifference, or will they join together to serve humanity and witness to the One Father? The meeting was closed with prayer by Mrs. Archie Lee.

Baptist WMS Meets

The W.M.S. of the Louisburg Baptist Church met Monday, February 7, in the chapel of the church with 27 members in attendance.
The meeting was opened with the singing of "More About Jesus" and followed by the Call to Prayer, given by Mrs. Raymond Wilson.
The president, Mrs. George West, presided over the business. Prayer Chairman Mrs. Florence Wells announced Week of Prayer for Home Missions would be March 6-13. Mission Study Chairman Mrs. Ralph Knott announced Home Mission Study Class would be held March 14 and 15 to be taught

by Mrs. Robert Latham, Asst. national missionary.
The program, "Trends In Home Missions," was given by Mrs. Howard Drewett, assisted by Mrs. Aubrey Tomlinson. Mrs. Drewett presented some startling statistics concerning the work of The Home Mission Board and the outlook and trend by 1975.
Mrs. Drewett closed her program with benediction, followed by a closing prayer by President Mrs. West.
The quarterly executive meeting was held following the conclusion of the regular meeting.

Miniature Greenhouse For Seed Starting

A new type of seed starter is like a greenhouse in miniature. It consists of 3 groups of 6 little peat pots (18 in all) set in a plastic tray and covered with a transparent plastic top which, when in place, insures greenhouse conditions to the seedlings.
The little pots are already filled with a growing medium and pre-planted with seeds (2 or more to each pot) of three

of these flowers: petunias, shade plants, zinnias, marigolds, sweet peas and tomatoes.
To start any of these seeds it is necessary only to set the greenhouse on a level surface; remove the aluminum foil cover and foam padding which hold seeds and growing medium in place. Then water is poured into each of the three sections of the planter through holes in the outer plastic tray. The transparent cover is set on top and then you can watch the seeds grow.
After sprouts appear in all the pots the top is removed—otherwise the temperature might be too hot for best plant growth. After four or more leaves have formed on each seedling, plants may be moved to larger containers or directly into the garden if frost is over.
It's so easy to transplant the seedlings—just separate the peat pots and plant them. They'll disappear gradually as water and weather do their work.
As you must do every year, figure backward from the frost-free date in your area to decide when to start seeds of flowers or vegetables indoors. It will take from 1 to 3 weeks for seeds to sprout and another 3 weeks or more to grow to transplanting.

Thanks

I wish to express my appreciation for the many cards and flowers sent to me and the many visits by friends, relatives and loved ones rendered to me during my illness and stay in the hospital. I personally want to express my appreciation to the nurses on the second and third floors at Franklin Memorial Hospital and to Dr. Thomas Wheelis.

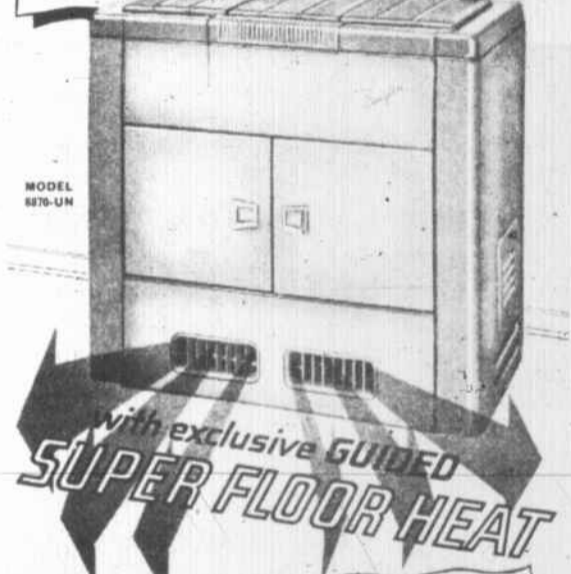

William Pearce

Europe Summarized

Thornton Wilder's observations following a trip to Europe: In England anything is permitted that is not forbidden. In Germany everything is forbidden that is not explicitly permitted. In France everything is permitted, even what is officially prohibited. And in Russia everything is forbidden, even what is properly permitted.
