are aware that N. C. 56 is the only approved future project and we are also aware that it has a low priority. What we in Franklin County would like to know is why.

Fuller expressed The Times appreciation for what he described as "the tremendous response we have received from the people" on these editorials and also to the out-of-town news media who have taken up the issue.

Fuller reported that no direct word had been received from the Highway Commission, but indicated that he is sure that "they knew about the editorials."

Wheless Finishes Third In Kerr Lake Tourney

Louis Wheless, Jr., ace Louisburg golfer, finished third last weekend in the Kerr Lake Golf Tournament held at the new Kerr Lake Country Club in Vance County.

and Dennis Michels of Henderson. Both finished with identical scores of 154. Finch won on the 39th hole in a playoff with Michels.

Extreme heat and a fast-playing nine-hole course stymied efforts by all golfers to break par 72 each day.

Michels scored 77 both days of the tourney, while Champion Finch posted a 76 yesterday after trailing Michels with a 78 on Saturday.

The first 18 holes of the tournament were played Saturday, then golfers were placed in flights of twelve for the final round yesterday on the basis of opening day scores. The cutoff was 89 Saturday for a berth in the championship flight.

Collision Costs Tharrington Win

Local stock car driver Sandy Tharrington saw a well-deserved victory slip from his grasp Sunday when a tangle

with a car on the final lap of the feature event allowed two cars to slip past him. Tharrington had worked his way up from next to last position in one of the numerous restarts to lead the feature event for most of the race. When it looked as though the win was his, a collision with a car he was lapping in the last turn caused him just enough delay to allow Roy Murphy of Durham and Garland Lynn of Burlington to slip by to receive the checkered flag.

Riverside Recreation

The recreation program at Riverside School, now in the second week, is in full swing. The program was started on June 21, and since this date, 150 boys and girls between the ages of 6 and 15 have enrolled.

Various activities are provided for the boys and girls such as arts and crafts, volleyball, ping pong, horse shoes, badminton and soft ball.

The arts and crafts classes are making useful articles that can be used around the home.

River third. The second heat was taken by Murphy with David Trawick of Raleigh second and Lloyd third.

Another Durham driver, Clarence Burch won the Hobby Division feature event. This event saw hard luck plague the leader when Oxford's Pete Dease, leading at the time, lost a rear wheel. Bobby Proctor of Gibsonville was second. Third place went to Guy Forbes of Bullock, fourth to Henderson's Jimmy Ivey and fifth to Bill Miller of Durham.

The first Hobby division heat was won by Dease with Proctor second and Raleigh's Jimmy Coleman third. The second heat was won by Burch with Terry Redd of Oxford second and Forbes third. Jimmy Brown of Pocomoke rolled his car but escaped injury.
