

"Powder Puff" Derby Scheduled

Mechanic Monroe Dickens - Driver Earl Moss - Car owner Dick Collier

The biggest race of the season thus far is on tap here Wednesday night, with seven big events being scheduled. In addition to the regular three

derby, a ten lap race for women drivers. The cars will be the same ones driven in the regular events, but for the special race will be piloted by women; wives, girl friends, or any other female who can talk a car owner into letting them drive.

All the local area cars will be on hand to compete against the real fast machinery from other sections. Topping the list of local cars will be Earl Moss at the wheel of Dick Collier's fast No. 28, that has won the last two Sportsman features here, and Sandy Tharrington in his No. 3 Plymouth. Also in the Sportsman division will be Bob Benfield and Wade Harris from Wake Forest. Benfield in his Chevrolet and Harris in his Pontiac GTO. These four, of course, will be facing the fast competition from the Raleigh-Burlington-Durham areas.

In the Hobby division local drivers Marvin Turner and Lee Dorsey from Franklin along with Doug Gourley and Bobby Pearce from Youngsville will have their hands full against such outstanding drivers as Wayne McGhee of Hillsborough, Donnie Lloyd of Creedmoor, winner of Saturday nights feature, Oxford's Pete Dease and Lero Beam, Tex Barbee of Durham and a host of others.

Starting time for Wednesday nights program is 8 p.m. with the gates opening at 6.

Not many people pay much attention to the words of a consistent liar.

ASCS Elections To Be Held By Mail

An announcement made public today by the local ASCS Office Manager, John R. Davis, says that 1967 ASCS Community Committeemen will be elected in September by mail. The notice also notes that community boundaries will remain the same as heretofore.

The text of the notice follows: "A slate of nominees will be prepared for each of the ten communities in Franklin County. Eligible voters have the right to nominate by petition if they so desire. Each petition must be limited to one nominee, and must be signed by at least six eligible voters. All petitions must be received by the ASCS Office no later than August 16, 1966. Persons nominated by petition will be placed on the slate if eligible and willing to serve. The slate of nominees for each community will consist of six or more persons including those nominated by petition.

Nominees should be currently engaged in the operations of a farm, and be well qualified for committee work, and represent the various sections and types of agriculture in the community. Any person nominated by petition and found to be ineligible will be notified of their right of appeal before the slate is completed."

4-H's At Special Camp

Four boys and girls between the ages of 9-14 are attending a Special Opportunity Camp this week at John W. Mitchell 4-H Camp in Swansboro, N.C., according to L. D. Baldwin, Agricultural Extension Agent. The county youth are being sponsored by Franklin County Farm Bureau, First Citizen's Bank and Trust Company and First Federal Savings and Loan Association.

The special camp is provided for youth who otherwise would not have the opportunity to attend. The campers will participate in a variety of activities including competitive athletics of soft ball, volleyball, horseshoes, tetherball, basketball, swimming, talent programs and a special banquet. The campers will be divided into four groups and will receive instructions in handicrafts, recreations, nature studies, electricity, leadership, development, and swimming. They will also receive specific information on "What is 4-H," "How to Organize 4-H Clubs," and "Project Opportunities in 4-H Club Work."

Light is to reading what facts are to intelligence.

Program Terminates

The recreational program conducted at Riverside High School will terminate Friday afternoon, according to Mrs. D. Y. Baldwin and Mrs. R. H. Ruffin for this year.

Several hundred boys and girls have participated in the many activities conducted. On Thursday, August 11, 1966, open house will be conducted from 4 to 6:00 p.m. You will see the many activities the boys and girls have made in their craft classes.
