

Mrs. Royster

# Dr. Sadie Johnson Chosen College Alumnus Of Year

Dr. Sadie C. Johnson, Henderson Chiropractor, a native of Louisburg, and a 1930 graduate of Louisburg College, was named "Alumnus of the Year" at the Alumni Daybanquet Saturday evening in the college cafeteria.

In presenting the Alumnus of the Year Award, Mrs. Kathryn Bullock Royster of Bullock, . C. recalled the services that Dr. Johnson has rendered the college in serving as president of the Alumni Association, writer of a pageant de-picting the history of the cola worker in the movement to keep Louisburg College open in the late 20's, and a continuous donor to the Loyalty Fund.

"As a Louisburg College graduate, she has distinguished herself in her profession, having practiced in Louisburg and Henderson since her graduation from the National College of Chiropractic, Chicago, Illinois. She has served her Association as editor of its state magazine and as secretary-treasurer for several terms.

"Dr. Johnson is president of The Franklin Times, Inc., Louisburg, publishers of The Franklin Times and commercial printers. She resides in Henderson and is past present of the Henderson Business and Professional Women's Club. She is the daughter of the late Sarah Norman Thomas and Asher Frank Johnson, Sr. and the granddaughter of "Dolly" Thomas, former editor of The Franklin Times, all of Louisburg."

Mr. C. Ray Pruette, professor of Science at Louisburg College, was guest speaker for the dinner. Pursuing the progress that science has made over the years and with it the charges in ways of living, the changes in language, the changes in mathematics and the realization that these are all man-made changes, Mr. Pruette- stated in conclusion that faith in God must be stronger now than ever.

Mr. Pruette, introduced by Mrs. Russell Frazier of the college science department, delighted his audience with humorous Illustrations throughout his talk.

## PTA To **Hold Festival**

burg High School on Thursday, October 13. Mrs. Edgerton L. Watson, chairman, announced that the festivities will begin at 11:00 with luncheon served in the Home Economics department. Arrangements may be made for lunches to be "taken out" by contacting Mrs. Edgerton Watson.

The "Country Store" will be open all day and into the evening for the home-cooked, home-canned, home-baked goods and other useful articles for the early Christmas

The hot dog and other refreshment stands will be open in the afternoon and evening. The evening entertainment will be highlighted by a group known as "The Franklin Ramblers." Other phases of entertainment will include a comedy act, and the "Popularity Contest" in which Mr. and Miss Louisburg will be

The public is cordially invited to attend and participate in the different phases of fun and festivities.

Mr. Floyd Ammons of Fayetteville, president, presided and recognized the distinguished guests and every fifth year class.

Miss Julia Mulligan and the Greenebriar Singers enter-tained with several folk songs. Walter Williamson and Bill Barrett gave a comical skit picturing a noted professor and his famous students.

Many of the youngsters will take the opportunity to visitthe N. C. State Fair. A group of 37 youngsters left this morning from Louisburg by bus to spend the day browsing around the fair grounds, seeing the sights and making money disappear.

School children are granted free admission with tickets distributed through their

All youngsters may obtain an excused absence from school any day this week to attend the fair, provided they have a written excuse from passed this policy earlier this

### Thugs Hit **Local Farm Business**

Louisburg Police officer Larry Gilliam discovered a rear office door open at Farmer's Tractor and Truck Company here on Bickett Blvd. Sunday night around 9:30 P.M. Investigation disclosed that someone had broken a window and reached inside and un-

latched the door. Wallace Tippett, manager of the farm equipment firm, re-ported he had missed two chain saws and one skill saw, plus some petty cash from his out-

er office. Police officers are contin uing their investigation today following fingerprinting the General Statute GS 160-270, the Council must execute a second approval at their November meeting. This is expected to be routine and the permit is expected to become effective shortly thereafter.

The contract calls for the company to use town poles and rights-of-way in running lines throughout the area. In return the company agrees to pay the Tewn of Louisburg five percent of its gross take each year or a minimum of \$500 and to repair to the Town's satisfaction any disruptions of property in their installations. It is reported that the company will build a tower in the vicinity to serve the area.

Reliable sources say that the company will make a charge of around \$15 for installation of its services in a home and a charge of around \$4.75 per month for the service. The service will eliminate the need for outside television antennas and will enable homeowners to receive clear reception from all stations in the area. The contract calls for the installation to be operational within 24 months following the issurance of the permit.

In other actions, the Council accepted Terrell Place and Terrell Street into the town street system from Mr. Sam Allen and ordered "No Parking" signs to be erected on the south side of River Road from Main Street to the eastern

#### Still No Word

that industrial prospect which has been considering locating in the Louisburg area for the past several weeks. It is fast becoming somewhat of a joke around the area that local development officials are so quiet they aren't even greeting friends on the street.

One of the best kept secrets in the history of the county has many of the curious and interested citizens pulling their hair in attempts to discover what is, going on.

Usually reliable sources, often quoted in these pages, seemingly know nothing more than the general public as to the plans of the industry of-

In order to comply with N. C. | entrance of Riverside School. The Council also granted a request from Industrial Development Director W. J. Benton to allow the County Commissioners to tap onto the Town of Louisburg water line to serve the new industrial

prospect should the decision to locate here materialize. In further action, the Council ordered that advertisements be placed for a new Police car to replace the 1964 model now in use and approved the payment of September invoices in the amount of \$13,390.19.

#### In Retail Sales:

## County Shows Increase

Franklin County, mostly on the rising cost of food, showed a .95 percent increase in retail sales in 1965-66 over the previous years, according to a report released this week by the N. C. Merchants Association on Sales and Use taxes collected by the State.

Franklin's sales for the year just ended totaled \$28,140,695 or just under a one percent increase over the \$26,824, 383.00 reported in 1964-65. Franklin County drew praise

along with Louisburg in 1965 when it was disclosed that the county had shown a fiveyear increase in retail sales of 60.7 percent. Louisburg had the highest percent of increase in the entire state, registering a record 112.7 jump for the five years, 1958-63.

The latest figures show that the county fell behind in such areas as taxable retail sales, apparel, and general merchandise. Slight increases were noted in such areas as auto and planes; automotive; furniture and building materials. The greatest increase was

shown in the jump from \$5, 443,780.00 for food in 1964-65 to \$5,957,348 in the latest report. There was some over a \$500,000 increase in the automotive category. Build-ing materials showed an in-

crease of just under \$300,

000 for the year.

to class ratio is said to be 22.9 among whites and 26 predominantly or wholly among Negroes. The action points out, "All The brief also points out of the high schools in Franklin there are 44 buses serving County are accredited, but the white schools and 37 serving

Times Editor Clint Fuller.

Front page editorials have been published weekly by the newspaper since last June pointing out the fact that Franklin County had not shared equally in the allocation of highway funds over the past number of years.

## **Shooting Victim** In Critical Condition

A carnival worker, identified first as John Pinotte of Hot Spring, Ark. and later as B. J. Mulkey 31, of Oklahoma, re-mains in critical condition today in a recovery room at Duke Hospital, following a shooting spree at the county fairgrounds last Thursday

Deputy Sheriff Tom Powell reported he had not questioned the suspect being held in the shooting, Herbert Gene Earl, 37 year old white man, address unknown. Earl is being held charged with firing four shots into the stomach and chestof Mulkey.

No reason was given for the

shooting. Fair officials stated Thursday that Earl was not connected with the carnival which played here. He was reported to have been assoclated with another show, persumably the one playing Henderson's fair last week.

Mulkey was taken to Duke when it was discovered that his blood type could not be matched at the local hosiptal. Powell said that Louisburg attorney John F. Matthews had been appointed to represent Earl. The suspect was picked South Main Street h and fair manager Powell George T. Bunn shortly after the shooting around 4:30 p.m. | Countain Murray. Judge Algernon Butler ordered a new free choice period last August for all Negro pupils in the county system. This resulted in over fifty Negro pupils requesting and being assigned to predominantly white schools.

## Case Continued **Until October 17**

Franklinton Schools Superintendent Fred W. Rogers were continued here in Mayor's Court Monday night until next Monday, October 17. The continuance came at the request of defense attorney Hill Yarborough, who stated he needed more time to prepare the defense

Hubert Senter, Franklinton attorney for the plaintiffs, asked for a prompt trial, but did not oppose Yarborough's request for at least a one-week postponement.

A crowd, estimated at nearly one hundred persons, mostly from Franklinton, were on hand to witness the trial. The small court room could not

## Assistant Clerk Resigns

Mrs. Edith Murray, wife of County Accountant Lee Murray, has resigned her position as an assistant in the Clerk of Court's office, according to an announcement Monday by Murray.

The Accountant, who recently resigned to accept a position as Treasurer-Finance Officer in Wake County, said the reason for his wife's resignation had nothing to do with the fact they were to move later to Wake County.

Murray stated that his wife resigned for "personal reasons" and indicated the decision was her own

## County Records Eighth Road Fatality

Franklin County recorded its eighth highway fatality of the year Sunday night, the second in the past nineteen days. Q. W. Wilkins, c/m/21, Route 1, Castalia, reported to have been the driver of a 1955 fourdoor Ford, died instantly when his car overturned around 9 p.m. Sunday night on State Rural Road No. 1624, at the Nash County line.

Wilkins had reportedly stopped a short distance from the scene of the accident to let a friend out of the car. The unidentified Negro told members of the Louisburg Rescue Service and State Trooper W. S. Etheridge that a passenger was also in the vehicle at the time of the accident.

A two-hour search of the area by Rescuers, officers and volunteers failed to reveal the whereabouts of the reported passenger, Leon Strickland, Strickland later showed up at Franklin Memorial Hospital where he received treatment for undisclosed injuries.

Trooper Etheridge reportedly said that high speed was the cause of the accident, which completely demolished the vehicle, stripping off the doors and hood. The car traveled several hundred yards down the rural road, finally jumping a ditch and coming to rest in a nearby field. Wilkins was thrown from the car and is believed to have died in-

This brings the total killed on county highways to date to eight. This is two more than met death in the entire twelve months of 1965. The death of

a Selma serviceman on September 20, following an accident near Pilot on Septem ber 18, was the first fatality on county highways since last
