

Youngsville Beats East Yancey

(The Living Daylights Out Of)

The name of the game was Paschall and the way it was played is called hustle. Paschall and hustle moved the fabulous Youngsville Panthers another notch closer to their goal of a state championship last night as they downed the East Yancey Panthers, 87-59 at Durham.

Larry Paschall, 5' 9", 130 pound (soaking wet) junior showed the several hundred spectators packed into the Durham High School gym how the game of basketball is played as he rolled up an amazing 41 points, 17 in 6 minutes and 39 seconds of the fourth quarter carrying four personal fouls.

The Panthers jumped out in front on the opening gun as Ralph Brown missed a foul shot following the tip-off, but by the 3 minute mark in the first period, Youngsville held a 13-8 advantage. Paschall dumped in two field goals in 28 seconds to move the Panthers to a 17-8 margin. With 1:23 left in the initial frame, Mike Hoover, Yancey's 30 per point per game ace, collected his second personal foul; with :02 seconds left, Hoover was tagged with number three. Jesse Preddy of Youngsville made the free throw and the Panthers led, 30-21 at the end of the frame.

The Panthers collected five

points while Youngsville racked up four for the first 2 minutes of the second period. Then the roof fell in on the Panthers. They put a real country scare in the hearts of their fans, which numbered in the hundreds from every part of Franklin County. East Yancey rallied, scoring 12 points to Youngsville's six; 16 to Youngsville's six to bring the halftime Youngsville margin down to seven.

At the six minute mark in the third period, the Panthers had pulled back to a 55-40 advantage and at 5:12 Paschall drew his fourth personal foul and was taken out of the game for a rest. Mike Hoover got into the act for Yancey with his sure shots and at the 3:11 mark, Youngsville's lead had

been cut to six points, 55-49. Hoover fouled out with 2:04 left in the third period, Mike Silvers and Dick Westall took over for the Panthers and the score at the end of the third period was, 57-52 Youngsville.

From the tipoff, the fourth frame was all Larry Paschall. Seasoned basketball observers said they had never seen such an outstanding performance in Class A. Like a buzz-saw, Paschall stole the ball, drove, dribbled, shot from the outside and took complete control of the game. East Yancey, shaken by Paschall's performance and the tempo he was setting for the other Panthers, failed to score for the first four minutes of the frame.

Paschall's performance ran like this: 7:35 on a drive, Paschall 2 points; 6:04 Paschall, steal and layup, 2 points; 5:29, Paschall, 2 points; 4:05 Paschall, steal, 2 points; 3:45 Paschall, steal, 2 points; 3:02 Paschall, steal, 2 points; 2:50, Paschall fouled, two shots, hit one, missed one, 1 point; 2:21 Paschall on a drive, 2 points and drew a foul; missed, tapped in by Keith; 1:55 Paschall, steal, drive, final Youngsville basket, 2 points. Total 17 points and at least as many steals.

C. L. Wrenn, tough on the rebounds, scored 15 points and Ralph Brown, mostly from

outside hit for 13 points. Hoover led the Panthers with 20 and Silvers had 14.

Number 1 ranked Ayden outdistanced Cranberry for the western part of the state, 67-62 and will be Youngsville's foe in the semifinals Friday night at 7:15 p. m.

Ayden Next: 29 Down, 2 To Go

As in the alphabet, Y follows A. This has been the way of things throughout the basketball season. "A" as in Ayden has held the number one spot in the rankings in the East; "Y" as in Youngsville has stayed in second place.

Admittedly partisan to Youngsville, we still couldn't see the difference in the two games played at Durham last night. Ayden had its hands full in downing a defenseless Cranberry (Avery County), 67-62. Although the Tornados looked impressive to us, Youngsville looked better.

The Dream Game comes Friday night at 7:15. Number one Ayden will get a chance to prove it. Youngsville will get the chance to change the alphabet. Four of the Tornados scored in double figures in their game Wednesday night. Paul Miller had 23 points; Tony Dail had 12 and Hubert Worthington and Louis Tripp each had 11.

It appears the Tornados have a well-balanced team, much like Youngsville. Ayden will have to set up some defense against Larry Paschall after his 41 point effort, which Ayden watched with admiring eyes. Doing this, the Tornados will leave another Phantom open and, knowing how the Panthers work, there will be another one there to take up the slack. Youngsville has generally enjoyed at least four starters hitting in double figures during the season and seemingly they have taken turns on who would be high scorer. Obviously, Wednesday night was Larry Paschall night. Whose night will Friday be?

College

(Continued from Page 1)

died a year later of a disease called "billous fever". But, before his death, the head master had accumulated some degree of wealth and popularity. He had also, affected the lives of the students who had passed through his classrooms.

One such student wrote him in a letter received a short time before his death, "...twas you, sir, who not only informed me how essential a good education is but taught me by...perseverance and peculiar (sic) application to my study I might after no lengthy space of time reap the Golden Harvest, and who gave me so many valuable precepts whereby I might attain the Goal of Decency and Decorum..."

As testament to his growing wealth, is the following written in a friend's diary in 1808: "Mr. Dickinson has acquired a very decent little estate since he first came here four years ago. He thinks himself between six and seven thousand dollars. The first year he had about seven hundred dollars—the next, the avails of his school 1000 dills—the next they amounted to 1500 and the last year 1200. Besides this too he pays an Usher (Mayhew from Williams College) 300 dills. But he has improved opportunities to speculate by lending some 600 dills cash to a young sportsman and taking a bond for 1000 dills. Till lately he owned a house and farm of more than 300 acres, six slaves, and a quantity of stock, as horses, sheep and cattle. Lately he sold his land for 4000 dills, which was 1000 more than it cost him. He now keeps a Gig, two horses and a servant or two and designs in the spring to visit Conn. in this style".

The foregoing plainly shows that Matthew Dickinson was not only an outstanding teacher, but a shrewd businessman as well.

At one time he was invited to dine with Governor Turner and other prominent people including the British Consul.

He was also known to possess one of the most elaborate libraries in this section, frequently ordering a large number of books from William Boylan of Raleigh.

He was referred to as a teacher of great ability and many talents and also as one who gave full attention to his students. The Raleigh Register of September 21, 1809 said, "Mr. Dickinson was a very highly and very deservedly respected by all who had the pleasure of his acquaintance".

Undoubtedly the first courses of study at Franklin Academy were set up by Dickinson. They included the three "R's" and Ethics and Metaphysics, Latin, Greek, Hebrew, Italian, French, surveying, Astronomy and navigation. Oral and public examinations were given and parents and Trustees were present.

Dickinson is buried near Corinth Church, between Louisburg and Warrenton. The inscription on his tombstone reads, "Sacred to the memory of Matthew Dickinson a native of Somers, Conn. a graduate of Yale College and first Preceptor of Franklin Academy, a man of talent, learning, and virtue. Obt. September 17, 1809. Aged 29 years."
