

we care

why should we guarantee other people's products?

If we didn't, we couldn't honestly say WE CARE. Could we?

You see, before any product is allowed on our shelves, we've checked it out pretty carefully.

We've checked the company that makes it.

We've checked to be sure the product is all the package says it is.

If you ever buy anything at A&P you're not happy with, you don't have to bother to write a letter to the company that made it.

Just tell your A&P store manager.

He'll give you your money back.

We'll get in touch with that company for you... and for us.

That's A&P's guarantee. No matter who makes it, if A&P sells it, A&P guarantees it.

Not every store can offer you a guarantee like that. A&P can... and does.

Shouldn't A&P be your store?
